To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Committee to whom was referred the request of the Western Avenue Community Center to include their property in our Public Park System would recommend that the Mayor and City Clerk be and are hereby empowered to sign a lease with the Western Avenue Community Center until May 1, 1935 for a sum not to exceed five dollars ($5.00).

WILLIS SCHUETH,
WM. H. ULBRICH,

Motion by Alderman Schueth, seconded by Alderman Ulbrich, that the report be adopted and recommendations concurred in.

On substitute motion by Alderman J. Kane, seconded by Alderman Wall, the report was laid over one week.

Presented by Alderman Olson:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Committee on Sidewalks and Bridges to whom was referred the following resolutions would respectfully report that we have investigated the same an would recommend that the work be done:

Resolution by Alderman Griffard: That the City Engineer repair the sidewalk in Franklin Park; also that the Sup't of Streets be instructed to remove partly dead tree at 1007 N. Evans street; also remove hollow stump in sidewalk at 303 W. Chestnut street.

Resolution by Alderman Gray: That the Sup't of Streets be instructed to cut down a dead tree at 811 and 812 and one dangerous tree at 814 and trim one tree at 816 on East Douglas street; also that the City Engineer be instructed to repair sidewalk at 603 and 607 E. Monroe street and intersection at 501 E. Washington street; also intersection at 202 E. Locust street; also sidewalk at 303 E. Chestnut street and sidewalk at 307 E. Chestnut street on account of tree roots.

Resolution by Alderman Schueth: That the City Engineer be instructed to repair sidewalk at 210 E. Chestnut street.

Resolution by Alderman Olson: That the City Engineer be instructed to raise and repair gutter at northwest corner of Washington street and Morris avenue, Morris avenue side.

Resolution by Alderman Ed. Kane: That the City Engineer be instructed to repair sidewalk at 103 W. Wood street.

Resolution by Alderman Wall: That the City Engineer be instructed to repair one slab of sidewalk at 830 W. Jackson street.

FRED OLSON,
DEWITT GRAY,
JOHN P. KANE,
Sidewalks and Bridges Comm.

Motion by Alderman Olson, seconded by Alderman Gray, that the report be adopted and recommendations concurred in.

Motion carried.

Presented by the Clerk:

Bloomington, Illinois, August 3, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—The gross earnings from street railway and bus fares in Bloomington are now running only 40% as much as when the street railway franchise was negotiated in 1929 and net earnings have almost entirely disappeared. It is not unreasonable to believe that the time may soon come when the gross revenue will not pay operating expenses.

In consideration of the Illinois Power and Light Corporation now raising the wages of its street railway and bus employees in the City of Bloomington, which will result in a substantial increase in the operating expenses of the company, the undersigned, President and Committee of Division No. 752 Amalgamated Association of Street and Electric Railway Employees of America, petition the City Council of the City of Bloomington to waive the payment of the sum of $2,500 by the company to the City of Bloomington required to be paid as compensation to said City for the six months period commencing July 1, 1934, as required under paragraph (g) of Section 23 of Ordinance passed January 10, 1930, and to waive similar payments for the future under the provisions of said Section, until the earnings of said corporation from its street railway and motor bus service shall be improved or the expenses incurred in such operation be decreased to such extent that the resumption of said payments shall be justified.

Respectfully soliciting your consideration,

WALTER LUCAS,
WM. H. VANDERBUR,
W. H. CARROLL.

On motion by Alderman Welch, seconded by Alderman Gray, the communication was referred to Finance Committee; Judiciary Committee; City Attorney and His Honor, the Mayor.

Respectfully,
JOHN A. CLEARY,
Comptroller.

Motion by Alderman Goodger that the bills and pay rolls be allowed and orders on the Treasurer drawn in payment of same.

Motion duly seconded by Alderman Welch.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Aldermen Welch, Gray, Turpin, J. Kane, Ulbrich, Sargent, Kurtz, Goodger, Ryan, Schueth, Griffard, Olson, Wall. 13.

Nays: 0.

Motion carried.

The Clerk read the following:

Bloomington, Illinois, August 6 ,1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the members of the McLean County Liquor Dealers Association situated in Bloomington, Illinois, hereby petition your Honorable Mayor and City Council for the privilege of opening our establishments on Sunday between the hours of 1:00 o'clock p. m., until 1:00 a. m., Monday.

Signed by 16 Members.

On motion by Alderman Olson, seconded by Alderman Ryan, the rules were suspended to permit representatives of the Liquor Dealers Association to address the Council.

Mr. Peter Frisch asserted that a large number of places have been selling liquor on Sundays and held that this was unfair to operators who observe the law.

Motion by Alderman Olson that the petition be referred to the License Committee and Liquor Commission.

Motion was duly seconded by Alderman Schueth.

Motion carried.

Presented by the Clerk:

Bloomington, Illinois, August 3, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the undersigned property owners, would respectfully petition your honorable body to ask Mr. White and Mr. Pershell to clean their property on S. Madison street at once. Signed by 18 Petitioners.

On motion by Alderman Welch, seconded by Alderman Gray, the petition was referred to the Health Committee and City Attorney.

Presented by the Clerk:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—We, the undersigned residents, tenants and property owners residing in the vicinity of 1206 S. Main street hereby remonstrate against the building about to be erected in lot known as 1206 S. Main street.

Signed by 28 Petitioners.

On motion by Alderman Sargent, seconded by Alderman Turpin, the petition was referred to the Streets and Alleys Committee.

The Clerk presented the following applications for permission to install signs:

Ed. Byrnes, 106 E. Market street; Fall City Brewing Co., 605½ S. Hannah street and Fox Head Brewing Co., 216 W. Monroe street.

On motion by Alderman Gray, seconded by Alderman Turpin, the applications were referred to the City Electrician with power to act.

Presented by the Clerk:

Bloomington, Illinois, August 9, 1934.

Mr. Thomas S. Weldon,
City Attorney,
Bloomington, Illinois.

Re: Joseph C. Fellenz loan.

DEAR SIR:—Among the collateral previously pledged to the city of Bloomington and which is now the subject of litigation between the city of Bloomington and this receivership, there is what is known as the Joseph C. Fellenz real estate loan inventoried at $2,020.00.

You will recall that we are now liquidating wherever liquidation is possible. The proceeds of liquidation to stand in lieu of securities. We have an application pending with the HOLC to refinance the above mentioned Fellenz loan. In checking into this I find principal credits were made on this loan, which was originally $2,200.00 as follows:

April 14, 1930.....$60.00
December 2, 1930..... 60.00
September 12, 1931.... 60.00
October 13, 1931..... 60.00
December 26, 1932..... 60.00

This makes a total principal credit of $300.00 and reduces the principal balance due to $1,900.00. This would indicate that two principal payments had been made subsequent to the pledging of this paper to the city of Bloomington and not reported to the city or endorsed on the note.

We, therefore, wish you to know before proceeding further with the liquidation with this asset that the principal amount remaining unpaid is $1,900.00

We would be pleased to have you signify your consent to our immediately proceeding to complete negotiations on a $1,900.00 basis plus accrued interest, of course.

Will you please let me know at an early date so that my file may be complete?

Very truly yours,
CARTER PIETSCH,
Deputy Receiver.

On motion by Alderman Welch, seconded by Alderman Gray, the communication was referred to the Finance Committee and City Attorney.

Presented by the Clerk:

Springfield, Illinois, August 9, 1934.

Mr. Herman J. Bock,
City Clerk,
Bloomington, Illinois.

DEAR SIR:—The City Council of Bloomington, on July 21, 1934, passed a resolution for the improvement of Locust Street between Main and Robinson Streets. This is an extension of Bond Issue Route 9 and 39. There was $30,567.28 of the city's Motor Fuel Tax appropriated for this improvement.

This is to advise that this resolution was approved today.

This resolution was apparently passed with the idea in mind that the State would participate in the cost of this job, which is now estimated at $47,000.00.

This department feels that the city of Bloomington should finance this complete improvement and this resolution is approved with the understanding that the State will not participate in its cost.

We suggest that steps be taken to let this job at once and in the event that financing it only involves anticipating Motor Fuel Tax funds of a few months in advance of completion, the contract will be approved. This will necessitate, of course, a future appropriation of funds up to the amount of the contract, including such funds as have been appropriated for Clinton Street.

Very truly yours,
ERNST LIEBERMAN,
Chief Highway Engineer.

Springfield, Illinois, August 9, 1934.

Mr. Herman J. Bock,
City Clerk,
Bloomington, Illinois.

DEAR SIR:—The City Council of Bloomington on July 20, 1934, passed a resolution for the improvement of Clinton Street from Grove Street to Oakland Avenue, and appropriating $5,846.00 for this improvement.

This is an extension of State Bond Issue Route 39. It is felt that Bloomington should concentrate on Locust Street with all of the Motor Fuel Tax funds available, and that the State will take care of the improvement of Clinton Street between Grove Street and Oakland Avenue when the Locust Street improvement is put under contract.

In view of this, approval of the resolution of the improvement of Clinton Street is being withheld.

Very truly yours,
ERNST LIEBERMAN,
Chief Highway Engineer.

On motion by Alderman Kurtz, seconded by Alderman Welch, the Board of Local Improvements was directed to proceed with the improvement of Locust street.

RESOLUTIONS

Bloomington, Illinois, August 9, 1934.

Whereas, in the month of May, 1934, this Council by resolution ordered and directed the Superintendent of Streets to grade and gravel West Wood street from Morris Avenue west to the Alton Railroad tracks, and such work has not been done or commenced up to this date; therefore,

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the said Superintendent of Streets be and hereby is directed immediately to commence the above mentioned work and to complete it without delay.

Motion by Alderman Wall, seconded by Alderman Olson, that the resolution be adopted.

After a discussion by various members of the Council on the matter Alderman Griffard made the following motion as a substitute.

"That the matter be referred to the Streets and Alleys Committee".

The substitute motion was duly seconded by Alderman J. Kane.

Substitute motion carried.

Presented by Alderman Wall:

Bloomington, Illinois, August 9, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That this Council hereby orders and directs that Thomas Clark, Superintendent of Streets of said City, hereafter shall not gravel or make any substantial improvements to any unpaved streets in said City without first having been ordered so to do by this Council, and that the said Superintendent of Streets shall report to this Council any unpaved streets which in his judgment should be graveled or materially improved, with his recommendations as to the method and extent of such improvement, and shall follow the direction of this Council in each case so reported and recommended by him.

Motion by Alderman Wall, seconded by Alderman Olson, that the resolution be adopted.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Aldermen Welch, Gray, Sargent, Kurtz, Schueth, Olson, Wall. 7.

Nays: Aldermen J. Kane, Ulbrich, Goodger, Ryan, Griffard. 6.

Motion carried.

The Clerk presented and read the following ordinance:

AN ORDINANCE
PROVIDING FOR THE CLEANSING OF BEER COILS AND FOR THE CLEANSING AND STERILIZATION OF GLASSWARE, CHINAWARE AND SILVERWARE IN PUBLIC EATING PLACES.

On motion by Alderman Kurtz, seconded by Alderman Sargent the ordinance was laid over one week.

Alderman J. Kane was excused from the rest of the meeting.

The Clerk presented the recommendations of the Electrical Commission which was first presented to this Council on June 22, 1934; also the ordinance approving the same and adopting the ordinances of the City of Bloomington, Illinois.

Bloomington, Illinois, June 20, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—At a meeting of the Electrical Commission of the City of Bloomington, Illinois, held on June 20th, 1934, at 7:30 o'clock p. m., the commission adopted a resolution recommending safe and practical standards and specifications for the installation, alteration and use of electrical equipment, and reasonable rules and regulations governing the issuance of permits by the Electrical Inspection Department and reasonable fees to be paid for the inspection of all electrical equipment, in accordance with the statute recently enacted relating to that subject, and said resolution herewith is transmitted to you.

Respectfully submitted,
W. T. MALONEY,
GUY CARLTON,
ARTHUR ROSS,
ROLLA B. NEAL,
N. J. BUTLER,
Electrical Comm.

Be It Resolved by the Electrical Commission of the City of Bloomington, Illinois:

That the Electrical Commission of the City of Bloomington, Illinois, hereby recommends as safe and practical standards and specifications for the installation, alteration and use of electrical equipment designed to meet the necessities and conditions that prevail in the City of Bloomington, Illinois, and as reasonable

rules and regulations governing the issuance of permits by the Electrical Inspection Department of said City, and as reasonable fees to be paid for the inspection by such inspection department of all electrical equipment installed or altered within said City, the following:

The method of the installation, alteration and use of all electrical equipment to be used in said City shall be uniform and shall be the method prescribed by the National Board of Fire Underwriters, and known as the National Electric Code.

The term "electrical equipment" as used herein shall be construed to mean conductors and equipment installed for the utilization of electricity supplies for light, heat or power, radio apparatus or equipment for wireless reception of sounds and signals, and shall not include apparatus, conductors and other equipment installed for or by public utilities, including common carriers, which are under the jurisdiction of the Illinois Commerce Commission, for use in their operation as public utilities.

No electrical equipment shall be installed or altered except upon a permit first issued by the electrical inspection department. Applications shall be made by and permits issued to electrical contractors. Applications shall be made upon blanks to be furnished by said department, and said application shall describe the installation, alteration or change proposed to be made, including the apparatus and material to be used. No deviation shall be made from the details, shown in such application without the written consent of said department.

All electrical equipment shall be installed, altered or changed under the supervision of the City Electrician of said City, and no person shall use any electricity in said electrical equipment without first having said equipment inspected and approved according to these rules and regulations and the ordinances of said City.

No electrical current shall be used for light, heat or power until a certificate shall have been obtained from the City Electrician approving of the installation or alteration of the electrical equipment sought to be used for connection therewith. Such certificate shall be obtained by the person, company or corporation installing or altering such equipment or using or being about to use the same for such electrical current, and no electrical current shall be turned on to such equipment so inspected, nor shall any company wires be connected therewith, until such certificate is procured and exhibited.

No person, firm of corporation shall conceal or cause to be concealed any electrical equipment except with the express permission of the City Electrician. Said City Electrician shall have power to remove any flooring, lathing, sheet metal, or other material which may conceal any electrical equipment contrary to these provisions. On completion of the inspection of any electrical equipment designed to be concealed and found to be in full compliance with these provisions, it shall be the duty of said electrician to post a notice to that effect at the main cut out center, and said notice shall be considered as an express permission to conceal said electrical equipment, but no concealment shall take place until such notice has been posted by said electrician.

When the Electrical Inspector condemns all or part of any electrical installation, the owner may, within five days after receiving written notice from the Electrical Inspector, file a petition in writing for review of said action of the Electrical Inspector with the Electrical Commission. Upon receipt of which said Electrical Commission shall at once proceed to determine whether said electrical installation complies with this ordinance and within five days shall make a decision in accordance with its findings.

I, Guy Carlton, Secretary of the Electrical Commission of the City of Bloomington, Illinois and in said capacity the keeper of the records thereof, do hereby certify that the attached and foregoing is a true and correct copy of a resolution unanimously adopted by the said Commission at a regular meeting thereof held

on June 20, 1934, at which said meeting all of the members of said Commission were present and voted for the adoption of said resolution, and that said resolution now is in full force and effect.

Dated this 20th day of June, A. D. 1934.

GUY CARLTON, [SEAL]
Secretary of the Electrical Commission of the City of Bloomington, Illinois.

AN ORDINANCE

APPROVING THE RECOMMENDATIONS OF THE ELECTRICAL COMMISSION OF THE CITY OF BLOOMINGTON, ILLINOIS, AND ADOPTING THEM AS ORDINANCES OF THE SAID CITY.

Whereas, the Electrical Commission of the City of Bloomington, Illinois, has recommended safe and practical standards and specifications for the installation, alteration and use of electrical equipment designed to meet the necessities and conditions that prevail in said City and reasonable rules and regulations governing the issuance of permits by the Electrical Department, and reasonable fees to be paid for the inspection by such inspection department of all electrical equipment installed or altered within such city, and has submitted said recommendations to this council in the form of a resolution adopted by said commission on June 20, 1934, and has asked the approval of the City Council thereof; now therefore,

Be It Ordained by the City Council of the City of Bloomington, Illinois:

SECTION 1. That the recommendations of the Electrical Commission of the City of Bloomington, Illinois, on this day submitted to this Council by said Commission in the form of a resolution adopted by said Commission on June 20, 1934, be and the same hereby are approved, and the said standards and specifications, rules and regulations, and fees therein set forth hereby are approved and adopted and shall have the same force and effect as an ordinance of said City.

SECTION 2. Any person, firm or corporation violating any of the terms of this ordinance, or failing or refusing to comply with any of the standards and specifications, or rules and regulations, set forth in the aforesaid resolution of the Electrical Commission, or failing or refusing to pay promptly when due the fees provided for in said resolution, shall be fined in an amount not less than Five ($5.00) Dollars nor more than Fifty ($50.00) Dollars for each offense.

SECTION 3. All ordinances or parts of ordinances in conflict herewith hereby are repealed.

SECTION 4. This ordinance shall be in full force and effect from and after its passage, approval and publication according to law.

Attest:
HERMAN J. BOCK,
City Clerk.

Approved:
L. F. WELLMERLING,
Mayor.

Passed by the City Council of the City of Bloomington, Illinois, this 10th day of August, A. D. 1934.

All children who were listed as possibilities for camp were visited by the nurses in their homes and later examined at the city health department. One hundred and forty-eight children were examined on July 10-11, and 100 were chosen for the camp several others being listed as possible candidates should others drop out.

The children were taken to the camp by members of the Kiwanis Club on July 23 and daily visits have since been made to the camp. Camp supervision, program arrangement, conferences with counselors and general direction of the camp from a health angle have been made through this office. Two nurses directly in charge of the children were selected through this office and each nurse has a definite duty to perform.

Counselors are in charge of each cabin with two for the large Limberlost cabin. Swimming, boating, handcraft, nature study are taught and each group is divided according to the strength and ability of the child.

Special attention has been given this month to prenatal and visiting nurse work.

GLENDORA M. BLAKELY,

On motion by Alderman Kurtz, seconded by Alderman Sargent, the report was received and placed on file.

Motion by Alderman Kurtz, seconded by Alderman Sargent, that the rules be suspended to permit Jason Bingamon, 322 S. East street to voice his protest relative to the alleged goat nuisance now existing at 320 S. East street.

City Attorney Thomas S. Weldon, to whom the matter was originally referred to, said he had done all he could and suggested that the offended residents file a complaint in the Police Court.

On motion by Alderman Schueth, seconded by Alderman Olson, the meeting adjourned.

THOMAS J. GOODGER,
Chairman Finance Comm.

Respectfully,
JOHN A. CLEARY,
Comptroller.

Motion by Alderman Goodger, seconded by Alderman Welch, that the bills and pay rolls be allowed and orders on the Treasurer be drawn in payment of same.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Aldermen Welch, Gray, Turpin, J. Kane, E. Kane, Ulbrich, Sargent, Kurtz, Goodger, Ryan, Schueth, Griffard, Olson, Wall. 14.

Nays: 0.

Motion carried.

Presented by Alderman Welch:

Bloomington, Illinois, August 17, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Your Claims Committee to whom was referred the claim of Mrs. Frank Kerner for damages to his automobile and to a passenger who was riding with him at the time, beg leave to report that we have investigated the above claim and found that Mr. Kerner had a collision with a city truck operated by the Street Department causing considerable damage to Mr. Kerner. Mr. Kerner offers to settle all claims for Fifty dollars ($50.00).

Your Committee recommends that the City settle for the above amount which is about one-half of the actual damages.

H. A. WELCH,
A. L. SARGENT,
J. D. GRIFFARD,
Claims Comm.

Motion by Alderman Welch, seconded by Alderman Olson, that the report be adopted and recommendations concurred in.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Aldermen Welch, Gray, Turpin, J. Kane, E. Kane, Sargent, Kurtz, Ulbrich, Goodger, Ryan, Schueth, Griffard, Olson, Wall.

Motion carried.

Bloomington, Illinois, August 17, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Your Claims Committee to whom was referred the claim of T. D. Ashbury for damages to his car caused by striking the curb landing in front of 1414 N. Main street, would report that we have investigated the above claim and would recommend that the claim be denied. The petitioner admits that the driver of the car was reaching for a parcel causing the car to swerve into the curb.

H. A. WELCH,
A. L. SARGENT,
J. D. GRIFFARD,
Claims Comm.

On motion by Alderman Welch, seconded by Alderman Gray, the report was adopted and recommendations concurred in.

Presented by Alderman Kane:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Regarding the hiring of a Golf professional. It is customary in all golf courses to have a Golf professional and caretaker. At the present time one man is holding two jobs. Mr. Brady is nationally known and well acquainted in this city—his knowledge of golf is beyond question, being a golf course architect.

We decided that it is too late in the season to hire a golf professional at Highland Park. I move that a vote be taken now to give Mr. Brady for 1935

the golf professional privileges, giving him all concessions in the Club House and grounds; also the management of all golf activities at a bonus of $180.00 per year.

ED KANE,
WM. H. ULBRICH.

Motion by Alderman Kane, that the report be adopted and recommendations concurred in.

Alderman Schueth complained against the useless consumption of the Council's time with the proposed hiring of a Highland Park golf professional.

Alderman E. Kane then moved that the rules be suspended to permit Mr. Frances Brady to present his case to the Council.

Motion was duly seconded by Alderman Goodger.

The Clerk was then directed to call the roll on the above motion which resulted as follows:

Ayes: Aldermen Welch, Turpin, J. Kane, E. Kane, Ulbrich, Goodger, Ryan, Griffard, Olson. 9.

Nays: Aldermen Gray, Sargent, Kurtz, Schueth, Wall. 5.

Motion carried.

Mr. Brady appeared before the Council and stated his proposition which included a bonus of $180.00 per year plus the concessions on the course and in the club house.

The following was presented by Alderman Olson, as a substitute motion for the whole "That the matter of employing a golf professional be laid over until such time as the park contract comes before the Council".

Substitute motion being duly seconded by Alderman Wall.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Aldermen Welch, Gray, Turpin, Sargent, Kurtz, Schueth, Olson, Wall. 8.

Nays: Aldermen J. Kane, E. Kane, Ulbrich, Goodger, Ryan, Griffard. 6.

Substitute motion declared carried.

On motion by Alderman Gray, seconded by Alderman Welch, the following application for permission to install electric signs were referred to the City Electrician with power to act:

Fox Head Brewing Co. by L. Merna, 904 W. Chestnut street, and Rockford Brewing Co., 603 S. East street.

The Clerk presented the following:

Springfield, Illinois, August 11, 1934.

City Clerk,
Bloomington, Illinois.

DEAR SIR:—Your allotment of Motor Fuel Tax for the month of July, 1934, is $2,830.65.

ERNST LIEBERMAN,
Chief Highway Engineer.

On motion by Alderman Turpin, seconded by Alderman Gray, the communication was received and placed on file.

Presented by Alderman Wall:

Bloomington, Illinois, August 2, 1934.

To the Miller Park Board,
City of Bloomington, Illinois.

DEAR SIRS:—Friday afternoon, July 27, 1934, my daughter, Miss Bess Anderson, of 1028 W. Taylor street, Bloomington, was swimming in Miller Park lake, and in sliding down the slide, in some manner her left hand was badly torn and cut, between thumb and first finger. The accident occured near 4:00 o'clock p. m.

Miss Anderson went at once to the office, where the attendant gave first aid and bound the wound up. Miss Anderson went home, and then went to the office of Doctor J. C. McNutt in the Griesheim Bldg. for attention. It took four (4) clamps to close the wound.

This is an advance notice, as when Dr. McNutt dismisses her, we will present the bill to you for payment.

We are not making any claim for personal discomfort and humiliation, but certainly do feel that the board are very lax in permitting defective equipment to be used, as when any one is going down the slide, they cannot stop regardless of the injury which may be received enroute. The equipment, I would think, should be carefully examined daily, in order to avoid a more serious injury.

Miss Anderson has had this wound dressed once since Dr. McNutt first treated it, and will have to go again at least one or more times. Until she is dismissed by the Doctor, you will not hear from me, but with her dismissal I will present the bill to you.

Signed,
W. S. ANDERSON,
Her father.
1028 W. Taylor street.

Bloomington, Ilinois, August 17, 1934.

Mr. Geo. Wall, Alderman:

DEAR SIR:—Concerning previous letter as to my daughter, Miss Bess Anderson, receiving injury to hand while bathing in Miller Park lake, afternoon of July 27, attached is statement from Dr. C. J. McNutt for services.

In as much as this injury was received from paid bathing facilities, it is no more than fair that this expense be paid by the City, and would thank you to present this claim for me.

While the girl has been dismissed by the Doctor as ok, she is not able to use the hand as yet, due to the tender condition of the wound, and in case it should at any later time develop into seriousness which would disqualify her from entering training this coming Sept. which is not expected, further claim would be expected.

The wound is closing nicely, and seems to be but a matter of few days until it is well again.

W. S. ANDERSON,
1028 W. Taylor street.

(Itemized statement from James C. McNutt, M. D., listing three calls and dressings on the dates of 7-27-34, 8-3-34 and 8-8-34 totaling $6.00 enclosed.)

On motion by Alderman Wall, seconded by Alderman Olson, the communications were referred to the Claims Committee.

Presented by the Clerk:

Bloomington, Illinois, August 13, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—The Trades and Labor Assembly takes this means of inviting you to participate in our Labor Day parade and celebration on Monday, September 3, 1934.

We are planning to make this celebration not only an event to be participated in by Labor, but a day of celebration for the entire community, and your participation is earnestly desired.

Details confirming the time, and place for the starting of the parade, which will only be about nine blocks long, will be given at a later date.

Yours very truly,
PARADE COMMITTEE.
W. T. SCOTT, *Chairman.*

Motion by Alderman Sargent, seconded by Alderman Wall, that the invitation be accepted and the Council attend in a body.

Motion carried.

The Clerk presented the insurance policies of T. N. Hill, covering the operation of taxi cabs.

On motion by Alderman Olson, seconded by Alderman Wall, the bonds were approved.

Presented by Alderman Olson:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Committee to whom was referred the following resolutions respectfully report that we have investigated the same and recommend that the work be done:

Resolution by Alderman Goodger: That partly dead poplar tree at 509 W. Seminary avenue that roots are breaking pavement be taken down.

Resolutions by Alderman Wall: That the City Engineer repair concrete walk at 1102 W. Olive street and that City Engineer see what can be done to eliminate mud from accumulating on side walk between 605 and 607 S. Allin street.

FRED OLSON,
DEWITT GRAY,
JOHN KANE,

On motion by Alderman Olson, seconded by Alderman Gray, the report was adopted and recommendations concurred in.

On motion by Alderman Welch, seconded by Alderman Gray, the following applications for permission to install signs were referred to the City Electrician with power to act:

Sidney Rosenthal, 117 N. Main street; Ulbrich & Kraft, 111 N. Main street; Chester Zweng, 804 N. Lumber street and Elton J. Smith, 105 S. Madison street.

The Clerk read the following report:

Bloomington, Illinois, August 23, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Park Board has the honor and privilege of presenting and recommending the passage of the attached ordinance conveying easement and right-of-way by the City of Bloomington to the Bloomington and Normal Sanitary District in connection with the construction of the latter's proposed 72-inch storm water sewer and straightening, widening and deepening of creek channel through Highland and Forest Parks. Your Park Board has carefully examined the attached ordinance and the plans for the construction, operation and maintenance of said sewer and said channel and we believe that the proposed improvement is one that is valuable and needed in the community. We

believe that the ordinance sets out as fully as can be the requirement that the Sanitary District in all of its work to cooperate with the Park Board and city officials of the City of Bloomington. We believe that the attached ordinance protects the interests of the Park Board and the City of Bloomington, and that it should be adopted by the City Council. We cheerfully recommend its passage and approval.

O. A. MUHL,
President Park Board.

W. P. PRENZLER,
Member Park Board.

AN ORDINANCE

GRANTING TO THE BLOOMINGTON AND NORMAL SANITARY DISTRICT OF McLEAN COUNTY, STATE OF ILLINOIS, AN EASEMENT THROUGH HIGHLAND PARK AND THROUGH, ALONG AND ACROSS LINCOLN AND BUNN STREETS FOR THE PURPOSE OF CONSTRUCTING A 72-INCH STORM WATER SEWER, AND THROUGH HIGHLAND PARK AND FOREST PARK FOR THE PURPOSE OF STRAIGHTENING; WIDENING AND DEEPENING THE NATURAL WATER COURSE NOW EXTENDING THROUGH SAID PARKS AND FOR THE PURPOSE OF CONVEYING THE STORM WATER BROUGHT TO HIGHLAND PARK WATERSHED BY SAID STORM WATER SEWER ACROSS SAID PARKS.

Be It Ordained by the City Council of the City of Bloomington, Illinois:

Whereas, the Bloomington and Normal Sanitary District, a municipal corporation of McLean County, Illinois, organized under the laws of the State of Illinois, is preparing to construct a 72-inch storm water sewer commencing at a point in Highland Park about 350 feet west of Main Street and extending in a general Northeast direction to the point where Lincoln Street extended intersects the right-of-way of the Illinois Central Railroad Company, and,

Whereas, it is necessary that said proposed sewer pass through a portion of Highland Park for a distrance of approximately 480 feet, and through, along and across Lincoln and Bunn Streets at and near the intersection of said Streets, and,

Whereas, said proposed sewer will empty into a natural watercourse flowing through Highland and Forest Parks and it is necessary to straighten, widen and deepen said natural watercourse so that it will have ample channel capacity for the water of its watershed as well as the storm water brought to said watershed by said storm water sewer, and,

Whereas, said Highland Park and Forest Park are both used for recreational purposes, and,

Whereas, said Lincoln and Bunn Streets must be kept open to use and travel, and,

Whereas, said Bloomington and Normal Sanitary District proposes to construct said 72-inch storm water sewer and straighten, widen and deepen said creek channel without cost or expense of any kind to the said City of Bloomington, and,

Whereas, said Bloomington and Normal Sanitary District is composed largely of territory and property owners, citizens and taxpayers identical with those who compose the City of Bloomington, now,

Therefore, Be It Ordained by the City Council of the City of Bloomington, McLean County, Illinois:

Section 1. That the City of Bloomington hereby conveys to the Bloomington and Normal Sanitary District an easement for the construction, operation and maintenance of a 72-inch storm water sewer commencing at a point about 350 feet west of Main Street in Highland Park and extending in a general northeast direction to a point where Lincoln Street extended intersects the right-of-way of the Illinois Central Railroad, without cost or expense of any kind to the City of Bloomington, as follows:

1. A strip of land 60 feet wide across the East end of Highland Park, and extending 30 feet on each side of a line described as follows: Beginning at a point on the East line of Highland Park 312 feet North of the Southeast corner thereof, thence North 65° 45′ West, 480 feet, to a point and containing .66 acre.

2. A strip of land through, along and across Lincoln Street and Bunn Street at and near the intersection of said Streets.

Section 2. That the City of Bloomington also conveys to the Bloomington and Normal Sanitary District an easement or right-of-way across and through Highland Park and Forest Park to straighten, widen and deepen the main natural watercourse now crossing said Parks, and in increase and maintain the channel capacity of said stream so as to make the same adequate to amply carry the water of the watershed in which said Parks are located and in addition thereto the storm water brought to said watershed by a 72-inch storm water sewer which is described in Section 1 hereof, provided, however, that the said Bloomington and Normal Sanitary District shall make said improvement without cost or expense of any kind to the City of Bloomington, and provided further that said Bloomington and Normal Sanitary District shall at all times take into consideration the fact that said Parks are recreation centers of the community and said straightening, widening and deepening shall be done so as to interfere as little as possible with the use of said Parks for recreational purposes, and shall improve and maintain said channel capacity so as not to interfere with the natural beauty of the Parks or trees therein and shall cooperate with the Park Board and officials of the City of Bloomington to the end that the purposes of both the City of Bloomington and the Bloomington and Normal Sanitary District may be accomplished.

Section 3. The said proposed sewer is of ample capacity to carry away from the intake of the Big 4 Valley sewer surface water coming through the Illinois Central Railroad culvert at that point and the upper end of said Big 4 Valley sewer is at such an elevation that it is necessary to intersect the upper part of said Big 4 Valley sewer with the lower part of said proposed sewer, and said Bloomington and Normal Sanitary District is hereby authorized to cross said Big 4 Valley sewer with said proposed sewer intersecting said Big 4 Valley sewer only so far as necessary in order to have ample ground cover for the proposed 72-inch sewer. If during the construction or maintenance of said sewer or the improving or maintenance of said natural watercourse said Bloomington and Normal Sanitary District should break or cut through any drain tile, watermain or sewer of the City of Bloomington, said Bloomington and Normal Sanitary District shall repair same at its own expense, and any roadway or road surface of said Lincoln Street and Bunn Street disturbed or opened during the construction of said sewer shall be replaced by said Bloomington and Normal Sanitary District in a manner satisfactory to the City of Bloomington, and travel on said Streets shall be interrupted as little as possible.

Section 4. The Bloomington and Normal Sanitary District, its agents or employees, shall have the perpetual right of ingress and egress for the purpose of making inspections and necessary repairs or alterations whenever same may be deemed necessary by the Bloomington and Normal Sanitary District on either said sewer easement or the easement for the construction and maintenance of said improved creek channel and the Bloomington and Normal Sanitary District, its agents or contractors doing work for said District are hereby given the right to haul onto said premises all materials, machinery, tools, equipment, etc., as may be needed for the proper completion of such work. The backfilling of all excavated sewer trench which said Bloomington and Normal Sanitary District shall cause to be made shall in all cases be left with a smooth rounding surface. The said Bloomington and Normal Sanitary District shall repair at its own expense all fences through which it may be necessary to cut openings as the work progresses. In the event any damage is done in the said Highland and Forest Parks in entering or departing therefrom during the construction period or at any future time in making inspections or repairs the Bloomington and Normal Sanitary District shall repair all such damages at its own expense.

Section 5. This ordinance shall take effect and be in full force from and after its passage and approval.

This ordinance passed by the City Council of the City of Bloomington, Illinois, August 24, 1934, and approved by the Mayor of said City, this 25th day of August, A. D., 1934.

Presented by the Clerk:

Bloomington, Illinois, May 31, 1934.

Mr. John A. Cleary, City Comptroller, Bloomington, Illinois:

DEAR SIR:—At the last meeting of our respective committees, it was agreed that no definite steps could be taken as to a reduction in our water rates until such time as an audit of the books could be made and definite figures established showing the actual expenditures and receipts of the two departments and the cost of operating each.

At this meeting it was your thought that this information would be available by May 1, 1934.

May I ask at this time, June 1st., if this information is available and if it will be possible for my committee and the Water Committee of the City Council to meet at an early date to discuss the subject.

Personally, I feel that, before any facts can be set up, it is absolutely necessary for the City to have a physical inventory made of their properties, by competent appraisers, in order to properly set up a depreciation reserve. If this is not done, there will be no defense for the present administration, at some future time, for not having facts and figures at their command that are actual.

Please advise me when it will be most convenient for this meeting.

Very truly yours,
CITIZENS WATER COMM.
CHAS. E. HALL, *Chairman.*

On motion by Alderman Ryan, the communication was referred to the Water Board, Finance Committee, Superintendent of Water and Light, and Comptroller.

Mr. C. C. Williams, Box 36, Bloomington, Illinois:

DEAR SIR:—We are enclosing Highway Permit forms in triplicate and Resolution forms in duplicate covering the proposed installation of a water main extension along South Main Street in the City of Bloomington.

It will be necessary that all three copies of the permit form be signed in ink by the mayor and his signature witnessed by the city clerk. The date should be filled in on the line above the signatures.

The Resolution forms should be passed by the city council and certified by the city clerk.

The corporate seal should be affixed to all copies of the forms.

When all of the forms have been properly executed please return them to this office for formal approval, following which one copy of the permit, resolution, and sketch will be forwarded to you for your files.

Very truly yours,

M. J. FLEMING,
District Engineer.

RESOLUTION

WHEREAS, the City of Bloomington, located in the County of McLean, State of Illinois, wishes to locate, construct, operate, and maintain a water main extension along S. B. I. Route 2 (U. S. Route 51) which is South Main Street in the City of Bloomington which by law comes under the jurisdiction and control of the Department of Public Works and Buildings of the State of Illinois, and

WHEREAS, a permit from said Department is required before said work can be legally undertaken by said City of Bloomington; now

THEREFORE, be it resolved by the City of Bloomington, County of McLean, State of Illinois.

First: That we do hereby request from the Department of Public Works and Buildings, State of Illinois, a permit authorizing the City of Bloomington to proceed with the work herein described.

Second: That we hereby pledge the good faith of the City of Bloomington and guarantee that all work shall be performed in accordance with the conditions of the permit to be granted by the Department of Public Works and Buildings of the State of Illinois and to hold the State of Illinois, Department of Public Works and Buildings, harmless on account of any damages that may occur to persons or property during the prosecution of such work, and assume all liability for damages to persons or property due to accidents or otherwise by reason of the work which is to be performed under the provisions of said permit.

Third: That we hereby state that the proposed work is to be performed by the employees of the City of Bloomington.

Fourth: That the proper officers of the City of Bloomington are hereby instructed and authorized to sign said permit in behalf of the City of Bloomington.

I, Herman J. Bock, hereby certify the above to be a true copy of the resolution passed by the City Council of the City of Bloomington, County of McLean, State of Illinois.

Dated this 1st day of June, A. D. 1934.

(Corporate Seal) HERMAN J. BOCK, *City Clerk.*

On motion by Alderman Sargent, seconded by Alderman Kane, the resolution was adopted.

STATE OF ILLINOIS
DEPARTMENT OF PUBLIC WORKS AND BUILDINGS
DIVISION OF HIGHWAYS
SPRINGFIELD, ILLINOIS

_____ District Serial No.....

HIGHWAY PERMIT

WHEREAS, The City of Bloomington of Bloomington, Illinois, hereinafter termed the Petitioner, requests permission and authority to do certain work

herein described, in, upon or along State Highway known as State Aid Route .....Section.....from Station.....to Station..... State Bond Issue Route 2 Section in Bloomington from Station.....to Station..... .....County, subject to the following conditions and restrictions:

To locate, construct, operate and maintain a water main extension starting at a point 82 feet south of Stewart Street on the east side of South Main Street, crossing to the west side of the street and continuing south for approximately 500 feet on a line between the curb and sidewalk, as shown on the attached sketch which becomes a part hereof.

The street crossing shall be made by using the tunnel method, if possible; otherwise the trenching method will be used. In either case the opening shall be back-filled with dry sand thoroughly tamped in place. If the trenching method is used the concrete pavement shall be replaced in accordance with State Specifications for Portland Cement Concrete.

All work shall comply with the provisions of the attached resolution as passed by the City Council.

First: The petitioner shall furnish all material, do all work, pay all costs and shall in a reasonable length of time restore said highway to a condition similar or equal to that existing before the commencement of the described work. It is also understood that the work shall be completed within six months after the date this permit is approved, otherwise the permit becomes null and void.

Second: That the proposed improvement will be located and constructed to the satisfaction of the Chief Highway Engineer or his duly authorized representative and the material used shall conform to the standard specifications of the State of Illinois, Department of Public Works and Buildings, Division of Highways.

Third: In the granting of this permit the petitioner agrees not to interfere or obstruct traffic on said highway.

Fourth: That the petitioner shall not serve any patron while the vehicle of the parton is parked on any portion of the State Highway.

Fifth: That the said petitioner, his successors or assigns, shall assume all risk and liability for accidents and damages that may accrue to persons or property on account of this work.

Sixth: That the petitioner shall not trim, cut or in any way disturb any trees or shrubbery along said highway without the approval of the Chief Highway Engineer or his duly authorized representative.

Seventh: That should the State's construction and operation on said highway require any alteration or change of location of the improvement called for in this permit, same shall be made by the petitioner upon a written request of the Chief Highway Engineer without expense to the State of Illinois or County aforesaid.

Eighth: That this permit is effective insofar only as the Department has jurisdiction and does not presume to release said petitioner from fulfilling any existing statutes relating to the construction of such improvements.

This permit is hereby accepted and its provisions agreed to this 1st day of June, 1934.

Attest: Signed

Presented by Alderman Olson:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Committee to whom was referred the following resolutions beg to report that we have investigated these complaints and recommend that work be done.

Resolution by Alderman Kurtz: That the Sup't of Streets be instructed to cut down dead tree at 612 Hannah street.

Resolution by Alderman Schueth: That the Sup't of Streets be instructed to remove dead trees on Elder street and on E. Chestnut street, east of Elder street.

Resolution by Alderman Wall: That the City Engineer be directed to repair sidewalk on the Allin street side at 902 W. Moulton street, caused by the roots of trees breaking up sidewalk.

FRED OLSON,
DEWITT GRAY,
JNO. KANE.

On motion by Alderman Olson, seconded by Alderman Gray, the report was adopted and recommendations concurred in.

The following was read by the Clerk:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

The Council of Social Agencies, at a meeting held on June 8, 1934 recommends that:

1. The Mayor, with the approval of Council, appoint a Recreation Commission of five members, three men and two women, to organize, promote and direct a recreational program for Bloomington.

2. This Commission be empowered to employ a trained recreational supervisor and such workers as the needs of the city demand and as the city budget and other sources of revenue allow: This Commissiion is further empowered to purchase necessary supplies and equipment and to provide suitable places for carrying out the recreational activities.

3. This Commission is to co-operate with the Illinois Emergency Relief Commission, the city government, the school authorities, the Council of Social Agencies and any other social, welfare, fraternal or religious organizations in promoting a recreational program for the citizens of Bloomington.

4. This Commission be voted an emergency fund of $750.00 from the funds of the City for carrying on the work from June 15 to September 8.

5. This Commission devise plans and means of providing a permanent year-around recreational program for the city of Bloomington.

On motion by Alderman Griffard, seconded by Alderman Olson, the matter was referred to the Finance and Public Property Committee.

Presented by Alderman Olson:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—The Citizens Light and Power League, is composed of local people who for several years have been interested in the Electric Light Department and the Waterworks System of the City of Bloomington. This League for some time has sponsored public ownership of certain utilities, and to this end has conducted campaigns and worked with the various city administrations to bring about the development of these utilities.

This league is in no way political, and its only motive is to secure for the people reliable service at the lowest possible adequate rates. During the last two or three years Bloomington has been enjoying decidedly lower rates from both public and privately owned plants than other similar cities. The present

municipal electric rate schedule is adequate to perpetuate this utility as evidenced by the report of Auditor Rolley.

This League has a plan for the betterment and protection of the electric light department and the waterworks system which it wishes to submit to you. It believes it would be for the best interests of the water and light department that a utility board be established to operate and manage said department. This Board would be appointed by the Mayor, by and with the advice and consent of the Council, and would have charge of the affairs of the water and light department, subject always to the direction and approval of the City Council.

Such a plan as this is especially opportune at this time in the light of the new law which will bring up for election next Spring the Mayor and all the Alderman, making possible a great change in the Legislative and Executive Departments of the City Government. The proposed Board would enable the Department to be handled by experienced men regardless of the result of any election.

The plan which is being proposed has worked out most successfully in other branches of our City Government. Our School System is administered by a separate Board. Our Public Library is operated and managed by a Board appointed by the Mayor, and has become one of our greatest educational institutions. For years our City Parks have been run by a similar Board, and have become a source of pride. At a recent election the voters expressed their desire for a non-political board to administer Civil Service in the Fire and Police Department. Investigations have shown that purely business functions carried on by the City are best administered and return the best resultts when managed by a non-political Board.

To the end that this subject may be taken up and thoroughly gone into, there is attached hereto a resolution which has been adopted by the Executive Committee of the League, and it is presented to you with the request that you refer it to the proper committee and that steps be taken to go into the matter thoroughly.

E. J. CARMODY, *President.*
F. A. LARSON, *Secretary.*
Also signed by 27 Executive Committee Members.

WHEREAS, investigation has shown that the Departments of a City Government devoted to the conduct of business and not connected with the Governmental functions of the City, are best administered by a non-political Board appointed by the Mayor and confirmed by the Council; and

WHEREAS, in this City the school system, the Public Library and the Public parks have been most successfully operated under such a plan, and the Civil Service regulations in the Police and Fire Departments are to be so regulated by a vote of the people; and

WHEREAS, it is believed that the Water and Light Department of the City of Bloomington should be operated and managed by such a non-political Board, especially in view of the new State Law under which terms of the Mayor and all the Aldermen will expire every two years; therefore,

BE IT RESOLVED BY THE EXECUTIVE COMMITTEE OF THE CITIZENS LIGHT AND POWER LEAGUE:

That the question of creating a non-political Board, to be appointed by the Mayor and confirmed by the Council, to advise the Council and assist in the operation of the Water and Light Department of the City be submitted to the City Council, with the request that a Committee of that body confer with this League relative to the creation of such a Board.

Motion by Alderman Olson, seconded by Alderman Kurtz, that the matter be referred to a special committee. Said committee to be appointed by His Honor, the Mayor.

Presented by the Clerk:

IN THE CIRCUIT COURT OF McLEAN COUNTY, ILLINOIS

THE PEOPLE EX REL, ETC., V. LIBERTY STATE BANK IN RE PETITION No. 2 WILLIAM L. O'CONNELL, Receiver, Etc., V. WILL F. COSTIGAN, ET AL.	No. 17135 In Equity

WHEREAS, on April 9, 1934 the Court entered an order in the above entitled cause, upon the petition of William L. O'Connell, Receiver, in and by which the Court ordered all of the defendants to the said petition including the City of Bloomington, Illinois, to surrender to the Receiver all of the assets described therein, and

WHEREAS, the City of Bloomington, Illinois has perfected its appeal from the said order to the Appellate Court of the Third District, and the appeal has been made a supersedeas, and

WHEREAS, the said Receiver and the said City are of the opinion that the said assets should be turned into cash or otherwise liquidated as rapidly as possible and without waiting for a final determination of the litigation pertaining thereto; and

WHEREAS, the City of Bloomington is willing that the said assets be turned over to the said Receiver for collection and liquidation but solely on condition that its rights and interests in and to the said assets and the proceeds thereof shall in no wise be prejudiced.

NOW THEREFORE, IT IS HEREBY STIPULATED AND AGREED between William L. O'Connell, Receiver of the Liberty State Bank and the City of Bloomington, Illinois, as follows:—

1. That all of the assets described in the order aforesaid shall be turned over to the said Receiver for collection and liquidation without prejudice to the rights or interests of either party upon the express condition that this shall never be claimed by the Receiver to operate as a release of errors.

2. The Receiver shall, as speedily as possible, convert the assets into cash and proceed to foreclose mortgages where foreclosure is deemed necessary.

3. The Receiver shall keep a separate and distinct record of all moneys received from the collection of said assets.

4. No part of the money collected from said assets shall be distributed to the creditors of the Liberty State Bank before litigation is finally determined and then only in case the final decision is in favor of the said Receiver.

5. If it should be finally determined that the Receiver is not entitled to the assets described in the order except on condition that he first pay the City the amount of its deposit in the Liberty State Bank with interest thereon and he declines to make the payment, or if the litigation is finally determined in favor of the City, then in either of such events the Receiver shall promptly pay over to the City all moneys collected from the said assets except such costs and attorneys fees as were actually and necessarily paid out in making collection and in foreclosure proceedings. He shall also turn over to the City all assets which have not been collected and he shall execute and deliver to the City all necessary papers to invest it with all of the right, title and interest which he may have secured in any real estate under foreclosure proceedings. But if the Receiver has then collected more than the amount the City had on deposit in the Liberty State Bank on March 4, 1933 the City will not be entitled to more than the amount of its deposit with interest thereon.

6. If the Receiver should at any time pay the City the full amount of its deposit in the Liberty State Bank with interest thereon, then and in such case the City will release all claims to the said assets.

Dated at Bloomington, Illinois, this 31st day of May, A. D. 1934.

WILLIAM L. O'CONNELL, *Receiver,*
LIBERTY STATE BANK.

On motion by Alderman Goodger, seconded by Alderman Welch, the matter was referred to the Finance and Judiciary Committee.

Presented by the Clerk:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

I hereby offer to sell to the City of Bloomington all my interest in Lots Two (2) and Three (3), in Block Twenty-two (22), Potawatamie Camp, together with all rights under the leases thereunder, and the buildings and improvements thereon, all of which I own; and likewise the personal property, boats, docks, etc. that were used by Leland C. Sherrill, in connection with his Concession rights, for the use of the same at Lake Bloomington; intending hereby to sell all of the personal property wherever located or used by said Leland C. Sherrill in connection with his concession rights, or any of them, all for the sum of Thirty-two Hundred Dollars ($3200.00), and upon acceptance of this offer and payment by the City will make suitable transfers therefor.

Respectfully submitted,
MARK R. ETHELL.

On motion by Alderman Welch, seconded by Alderman Gray, the matter was referred to the Finance Committee and Lake Bloomington Park Board.

During the month children in the first and third grades were reweighed for gain during the year. Those who have lost weight or have not gained because of illness will be rechecked for the Health Camp.

On May first, National Child Health Day, a display of health posters made by children in the public schools was exhibited in a vacant store building on Main street. The exhibit was left there for a week and was visited by children from every school in the city. Much improvement was noted in the health posters this year as to originality, health habits, etc.

At the request of Prof. Sorenson of the Illinois State Normal University, a partial survey was made of the public schools for children with speech defects. Around fifty such cases were found and six children with speech defects due to nose, throat, teeth or other mouth conditions were taken to a

clinic by Dr. Hartenbower and Dr. Reece at the I.S.N.U. to demonstrate to the class in public speaking the need for speech defect corrections.

The eleven Parent-Teachers Associations in Bloomington held their Summer Round Up examinations during the month. The Health Director and Supervising Nurse assisted the nurse in the district with these examinations also with the examinations of the children in the parochial schools who are to enter school in the fall.

A number of visits were made with Miss Chalstrom from the Illinois Society for Prevention of Blindness who was here to follow up on a survey made in the schools over a year ago. This survey showed that there were sufficient children in Bloomington, Normal and near towns to warrant a sight saving class. An appropriation was made for this class during the last session of the state legislature as this class is entirely supported by state funds. As a recent survey had been made of Urbana and Champaign they were willing and anxious to start a class there. The visit of Miss Chalstrom here was to get the Bloomington school board to sanction the class in Bloomington as the survey here had been made prior to the one in Urbana. However, after spending the day here with school board and other citizens, Miss Chalstrom left feeling that it would be quite unlikely that the class would be recommended for this city. Later information is to the effect that the class went to Urbana.

Several committee meetings were held relative to the Limberlost Camp and children have been recommnded to the camp by teachers, nurses, mothers and family physicians. Two hundred children have been lined up for examination in July.

An all day meeting of the public health nurses climaxed a series of meetings held throughout the year by the public health nursing group. Dr. Arlington Ailes and Miss Margaret McCreevy of the LaSalle Hygienic Institute were the principal speakers. Dr. Gerald Cline was the luncheon speaker, his topic being "Allergies".

GLENDORA M. BLAKELY,
Supervising Nurse.

Signed by 640 Names.

On motion by Alderman Turpin, seconded by Alderman Kurtz, the petition was received and placed on file.

Presented by the Clerk:

Bloomington, Ill., June 15, 1934.

Mr. John A. Cleary, City Comptroller, Bloomington, Ill.,

DEAR SIR:—As per your request, I am submitting cost per man for our Shelter work last year.

We handled 44,406 men. Giving to this number, 61,290 meals, and 19,996 beds, at a cost of 12 cents per man.

Our facilities gave these men shower baths, clothing fumigation, clean night-shirts, beds with mattress, sheets and blankets. Also first aid was given where needed. This service has been available 24 hours each day for the past 28 months.

Also, our equipment includes facilities for women, children and families night or day.

Should the City decide to employ these services, and consider the request of our Advisory Board, we shall be glad to continue with them.

Sincerely Yours,

C. OVERSTAKE, *Captain.*

BOARD MEMBERS:—Mr. Campbell Holton, Mr. Parke Enlow, Mr. Fred Wollrab, Mr. D. Montgomery, Dr. J. S. Reece, Mrs. Elmer Folsom, Mr. Lester Martin, Miss Nellie Parham, Mr. Grover Helm.

On motion by Alderman Sargent, seconded by Alderman Kurtz, the matter was referred to the finance Committee.

The Clerk read the following:

Mr. Thomas S. Weldon, City Attorney, Bloomington, Illinois.

DEAR SIR:—We desire to call your attention to the suit of John C. McGraw, originally brought against the Bloomington Water Company, and then the City of Bloomington, No. 16139, Chancery, which should be disposed of and in which there is as yet no answer on file.

The suit is a bill for injunction and damages caused by the erection of the dam and spillway at Lake Bloomington, and asking removal of the same as an obstruction to a natural water course and as causing a nuisance to Mr. McGraw, who is the owner of a tract of pasture land which is a part of a farm of 128 acres. The dregs and sediment from the purifying plant of the water works was rapidly paving the bed of the natural stream, which prior to that time had furnished ample water for pasture of the stock grown on his farm.

The reason the suit was delayed was that Mr. Martin, the attorney for the water company, realized that there was a cause of action against his company, but urged that he would probably be able to induce the board of directors of that company to put in an intercepting dam in which the dregs and sediment could be allowed to settle before the water flow was released through the natural water course, and asked that cause be stayed by mutual understanding to ascertain whether or not that kind of system would be a success and prevent the future conduct of the plant from being a continuing nuisance.

At the time of the sale of the plant to the City of Bloomington, by agreement the City of Bloomington was substituted as defendant in the case, but the case dragged along, and now must be disposed of one way or the other. This is written to request you to file an answer in the case unless the city is disposed to adjust the claim with Mr. McGraw.

We have talked the matter over with Mr. McGraw, and ascertained that if a proper decree is entered which will retain his right to have the cause again reinstated if in the future the conduct of the plant would amount to a repitition of damage to his premises, that he will be willing to accept the sum of $140.00 in settlement of all damages to date. That sum is so small compared with the costs of litigation that it looks to us as if the matter should be settled on that basis while he is willing to accept that sum.

Will you kindly take up the matter and give us a reply, otherwise file an answer in the cause, so that we can get the case disposed of?

Very truly yours,
MORRISSEY and MORRISSEY
By J. J. MORRISSEY.

On motion by Alderman Gray, seconded by Alderman Welch, the matter was referred to the Claims Committee and City Attorney to invesigate and report back.

Presented by the Clerk.

RE: OCCUPATION TAX
Water and Electricity.

Chicago, Illinois, June 9, 1934.

Thomas S. Weldon, Esq., City Attorney, Bloomington, Illinois.

DR. MR. WELDON:—I am in receipt of your recent letter making inquiry concerning the filing of a complaint or bill contesting the application of the retailer's occupation tax act to water and electricity furnished by municipally owned and operated plants to the inhabitants of the municipality.

I am at present representing several municipalities along the North Shore, whose supply of water is Lake Michigan, one of which also furnishes electric serivce. Because of the fact that most of the municipalities not located near Lake Michigan will receive their water supply from rivers or wells, it seems advisable to include such municipalities in a separate complaint or bill. I have received

several inquiries from municipalities furnishing both water and electricity, who obtain their water supply from wells or rivers and in order that a fair and reasonable participation arrangement may be arrived at I will ask you to please advise me as to the total amount received by the City of Bloomington for water furnished to its inhabitants during the month of July, 1933 and for each of the succeeding months to date.

From my investigation of the subject, I am of the opinion that we have a very substantial basis upon which to resist the collection of the tax so far as water service is concerned on one theory, and so far as the electric service is concerned on an additional theory based upon the intangible character of the service

I have obtained from the Department of Finance an agreement not to insist upon returns being filed or payment made by municipalities represented by me until there has been a determination of some of the fundamental questions involved in the suits filed by the private utilities. However, the matter of the penalties which may be imposed and which the Attorney General has ruled the Department is without discretion to waive, will by the end of the present month amount of 312% of the original amount of taxes due. It is therefore desirable, in order to fully protect the municipalities, that they be parties to complaints or bills which will form the basis of a court order releasing them from the payment of the penalties in the event of an adverse determination in any of the cases.

If you will kindly furnish me the information above requested. I shall be pleased to communicate further with you and make a definite suggestion as to reasonable compensation for participation in the litigation by the City of Bloomington.

Very truly yours,

FREDERICK DICKINSON.

On motion by Alderman Schueth, seconded by Alderman Olson, the matter was referred to the Judiciary Committee and City Attorney.

Presented by the Clerk:

Bloomington, Illinois, June 15, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—The Castle Theatre of Bloomington would like permission to install a box-office in front of the Theatre.

This box-office will extend three and one-half feet on City sidewalk. There is a very large sidewalk in front of the theatre. It is about eighteen feet wide.

Hoping to hear from you regarding the aboves at your earliest convenience and want to thank you for your consideration.

Respectfully yours,

MARVIN S. HARRIS, *City Manager,*
Publix Great States Theatres,

I am authorized by my Local Advisory Board to accept this, and to say that we will do our best with it. But that it will not meet present needs.

Also, I am instructed to advise you that, unless more help will be forthcoming by the first of September, the City will please make arrangements to take care of the Transients this fall and winter.

Signed,
MR. CAMPBELL HOLTON,
MR. PARKE ENLOW,
CAPTAIN C. OVERSTAKE.

On motion by Alderman Welch, seconded by Alderman Gray, the communication was received and placed on file.

Presented by the Clerk:

Bloomington, Illinois, June 29, 1934.

Mr. Tom Weldon,
City Attorney,
Bloomington, Illinois.

DEAR SIR:—Among the securities in the box which was until recently under joint control of the City of Bloomington and Mr. Costigan for the Liberty State Bank, there was a $200.00 bond known as the Fred Barling loan.

This is a mortgage bond of a local split real estate mortgage aggregating $1,750.00. I have a communication stating that the Home Owners' Loan Corporation have made a loan commitment on this property sufficient to liquidate the obligation, but insist upon a certain amount of the loan in this case being used for repairs, etc., so that the net available to the bondholders is $1,390.00, making an approximate 20% reduction on principal and cancellation of interest.

This communication has just reached me, and I have not yet had the opportunity to determine the attitude of the Banking Department on the acceptance or non-acceptance of this compromise. However, I would appreciate your submitting this matter to the City Council for their consideration, and if the matter has their approval I would like them to signify their acceptance of this compromise with an appropriate resolution or in some other acceptable fashion.

So that there may be no misunderstanding about it, the liquidation to be received from this asset woul be $160.00 flat, which will be held, of course, under the terms of the existing arrangement pending the final outcome of the litigation over these assets.

Yours very truly,
WILLIAM L. O'CONNELL, Receiver.
By CARTER PIETSCH, *Deputy Receiver.*

Bloomington, Illinois, June 25, 1934.

Mr. Thomas S. Weldon,
City Attorney,
Bloomington, Ill.

DEAR SIR:—You will recall that on the 19th day of April, 1934, I withdrew from the Box of the City of Bloomington the W. E. Stephey mortgage bond in the principal amount of $1,000.00 for the purpose of offering in evidence in a pending foreclosure suit.

This case has since gone to Decree but the Master's Sale was continued pending negotiations for a Home Owners' loan.

Based on this application, the Home Owners' Loan Corporation promised a total loan of $6,380.00. From this must be taken $363 taxed costs on foreclosure. From the $6,000.00 net must be taken $200 for the release of a second mortgage leaving a net available for the split mortgage of $5,800.00. This net will pay the split mortgage holders 72% of the principal of their bonds. If we avail ourselves of this refinancing, this note of the first mortgage will receive $720.00.

The second mortgage above referred to was $1,742.00, and was held by this receivership. It is being compromised and released for $200.00.

We would appreciate your signifying your consent to our accepting this compromise. I can advise you that the holders of the remaining bonds of the first mortgage have signified their desire to liquidate the debt in this manner.

If the City Council approves the settlement, will you not advise me immediately so as to expedite the closing of the loan with the Home Owners' Loan Corporation.

Yours very truly,
WILLIAM L. O'CONNELL, Receiver.
By CARTER PIETSCH, *Deputy Receiver.*

On motion by Alderman Welch, seconded by Alderman Sargent, the communications were received and referred to the Finance Committee and City Attorney.

COUNCIL PROCEEDINGS

Published by Authority of the Council of the City of

BLOOMINGTON, ILLINOIS

AUG 8 1934

Council convened in Special Session in the Council Chamber, City Hall building at 7:30 p.m., Monday, May 7, 1934.

Present: His Honor, the Mayor, Louis F. Wellmerling, Alderman Gray, Welch, Turpin, Harting, Kane, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin, Olson.

Absent: Alderman Summers.

On motion by Alderman Welch, seconded by Alderman Gray, the reading of the minutes of the regular meeting of Friday, May 4, 1934, was dispensed with and were approved as printed.

Motion carried.

His Honor, the Mayor, presented the following report:

MAYOR'S ANNUAL REPORT

To the City Council of the City of Bloomington, Illinois:

GENTLEMEN:—At the commencement of the last fiscal year the City was confronted with grave financial difficulties. $130,941.69 of its funds was on deposit in the Liberty State Bank which is now in the process of liquidation. The taxes collected during the year 1933 were $63,675.12 less than those collected during the previous year. To meet this condtion it was necessary that strict economy be practiced. Salaries and wages were reduced ten per cent. This reduction effected a saving of approximately $30,000.00. The action of the Board of Review, in further reducing the assessed valuation of real estate twenty per cent, will result in an estimated decrease in tax income of $40,000.00 for the present year. Accordingly, the practice of strict economy must be continued. We did not see fit to oppose the Board of Review's action, feeling that tax reduction was one of the most important factors in the recovery program and that tax levies should be measured by the taxpayers' ability to pay.

Further extension of special assessment improvements was out of the question. 1056 pieces of real estate were offered for sale last fall for special assessment delinquencies. To increase the proprty owners' tax burden by continuance of special assessment improvement would have been unjustifiable.

When the Illinois Emergency Work relief program was inaugurated, full and complete co-operation was given by the City officials. In order that the unemployed might be given work and that valuable and much needed improvements might be made with very little cost to the taxpayers, it was necessary that the City furnish the materials, the labor being supplied by the relief agency. Through this program many notable improvements have been made, including the removal of rails and ties and re-laying of pavement on North Clinton, East Walnut, West Walnut, West Market and West Chestnut Streets, and Western Avenue. A block of pavement was taken up and relaid on Towanda Avenue, north of Washington Street. Ten inch water mains were laid on Lee, Prairie and Grove Streets, and by thus encircling the business section with ten inch mains, fire protection was greatly increased and the requirements of the fire underwriters met. All of this was accomplished without the assessment of a tax against the abutting property. The old sewer on West Olive Street, between Euclid Avenue and the C. & A. R. R., was taken up and re-laid; our heretofore sadly neglected cemetery has been given some much needed attention, including the improvement of the roadways and resetting of tottering tombstones under which were placed new foundations. I feel that this was a very worthwhile work project.

The fire underwriters have been urgently requesting a drill tower. This was constructed. This is a valuable addition to the fire department. Its use for the drying of fire hose will result in a considerable saving, through increased durability of the hose.

Last fall Miller Park lake was lowered in order to make repairs on the beach and shorelines. The gravel used in this improvement was taken from our own City gravel pit. Shortly after taking office, feeling that we should own and operate our own City gravel pit, I thought of the possitibilty that there might be gravel on the City's ground on West Market Street. Upon investigation I discovered that there was gravel in abundance. This gravel has been used in improving the Miller Park beaches, in graveling dirt streets and in many other City improvements. This pit, with its unlimited supply of gravel, now constitutes a valuable asset to the City.

A new boathouse has been erected at the park, on a much better location. The bath house on the east side of the lake was replaced and the beach there improved. In Highland Park, a small leaky 2″ water main was replaced by a 6″ main which was extended into Forest Park, giving that park fire protection as well as a supply of good drinking water. The old well had been condemned by the State authorities. The pipe used for this main was removed from another location. Improvement have been made to the Exterior and interior of the City Hall, and shrubbery added. Sugar Creek, east of the I. C. R. R., was straightened, deepened and cleaned, and a new twenty foot concrete bridge constructed. This was done to relieve that section of the City from the menace of flood waters which had wrought great damage, particularly last year. This improvement was made by the Street Department, under the charge of Superintendent Thomas Clark. The damaged condtion of the spillway at Lake Bloomington, brought about by heavy rains in the early summer of 1933, was repaired by using concrete curb and gutter salvaged from our old pavements. Extensive reforestation work was accomplished at the Lake.

I am thankful for the co-operation of the local officials of the relief agencies in the development of these projects. They have been untiring in their efforts to furnish work for the unemployed. We are fully appreciative of the good work they have done and of the lasting benefits derived by the City therefrom.

We have gradually extended our Commercial Light and Power System. 1187 meters are now in operation as against 1055 a year ago. Further extensions would have been made had more funds for this purpose been available.

I am pleased to report that the fourth and fifth payments on the Lake Bloomington Water Revenue Bond Issue, approximating $88,000.00 have been made during the past fiscal year and that the principal and interest on our general obligation bonds have been paid promptly.

Due to the inability of property owners to pay their special assessments, and to the closing of the Liberty State Bank, many of our maturing Local Improvement Bonds could not be paid when due. These bonds, as you know, are not general obligations of the City and their payment depends on the ability of the property owners to pay their assessments. With the improvement of financial conditions, payments will be resumed on these delinquencies and eventually the bonds will be paid.

In the hope of aleviating this regrettable but unavoidable situation, Mr. Cleary, Mr. Weldon and I have sponsored a bill which has been introduced in the present Special Session of the State Legislature, which if enacted will authorize the City to issue bonds to raise funds with which to replenish the Special Assessment Fund deposited in the Liberty State Bank. This bill provides that as dividends are received from the bank they shall be used for the payment of the bonds.

The issuance of tax anticipation warrants was necessitated, due to the decreased tax income, the closed bank, and the unprecedented but unavoidable delay of tax collections, the first tax remittance having been received on April 24th.

At a vry nominal cost to the City, group insurance has been provided for the policemen and firemen. This should increase the efficiency of these departments, and at the same time makes a substantial provision for compensation for accidental injury and for the dependents of those taken by death while in the service of the City.

No doubt the most outstanding of the accomplishments of the fiscal year was the leasing, with the option to purchase, of the Bloomington Airport. It has furnished at times employment to more than one hundred men. I have been assured by the Illinois Emergency Relief Commission that funds will soon be available for its completion. It is needless to emphazize the future benefits to be derived from this improvement. Its construction will be at a relatively small cost to the City. In the near future it should be self-sustaining.

In connection woth the City's gas tax allotment, we have several times called on the State Highway Engineer at Springfield to discuss the City's program, and especially in regard to the Locust Street pavement, and I am hopeful that this work will be soon commenced and that the State will contribute toward the financing thereof.

In conclusion, I want to express my heartfelt thanks to the Council, the heads of the various departments, and to all of the City employees, for their faithful services to the City during the first year of my term of office.

Respectfully submitted,

L. F. WELLMERLING, *Mayor.*

Dated this 7th day of May, A. D. 1934.

On motion by Alderman Irvin, seconded by Alderman Kurtz, the report was received and placed on file.

PETITION

Bloomington, Illinois, May 10, 1934.

That the purchase price and rental having all been paid on Lot 2, Block 26, Camp Potamatamie, Lake Bloomington, we respectfully petition the City Council of the City of Bloomington, Illinois, to approve the transfer of the lease on the above described property from George Francis and Marie Smith, to Mrs. Minnie Osborn, Gibson City, Illinois, and Mrs. Jennie Totterer, 505 E. University avenue, Bloomington, Illinois.

GEORGE FRANCIS SMITH,
MARIE SMITH.

Motion by Alderman Schueth, seconded by Alderman Goodger, that the prayer of the petitioner be granted.

Motion carried.

The Clerk read the following:

PETITION

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Now comes Mark Ethell, and respectfully shows that he has become the purchaser of all the right, title and interest of Leland C. Sherrill and Mabel L. Sherrill, his wife, in and to the lease made on the 28th day of July, A. D. 1930, upon Lot (3), in Block Twenty-two (22), Potamatamie Camp, and lease executed on the 2nd day of January, A. D. 1931, upon Lot Two (2), Block Twenty-two (22), Potawatamie Camp, all located in McLean County, Illinois, together with all of the improvements, buildings and appurtenances thereon situate and thereunto belonging, and that the said Leland C. Sherrill and Mabel L. Sherrill, his wife, have executed their deed of transfer of their interest in said premises and an assignmnt of the leases thereto to your petitioner.

Petitioner further shows that in and by the terms of said leases it was provided that the Lessee shall not sell, assign or transfer said premises without the written consent of the Lessor.

Your petitioner therefore prays that the written consent to said transfer may be forthwith provided by the said Lessor, the City of Bloomington, and your petitioner has submitted herewith a form of said written consent.

Respectfully submitted,
MARK R. ETHELL.

WRITTEN CONSENT TO TRANSFER INTEREST IN LEASES UPON LOTS 2 AND 3, IN BLOCK 22, POTAWATAMIE CAMP.

Now comes the City of Bloomington and gives this its written consent to the assignment of all the right, title and interest of Leland C. Sherrill and Mabel L. Sherrill, his wife, in and to the premises known as Lots Two (2) and Three (3), in Block Twenty-two (22), Potamatamie Camp, McLean County, Illinois, and to the leases thereon executed by the Bloomington Water Company under the dates of January 2nd, A. D. 1931 and July 28th, A. D. 1930, respectively.

Said consent to said assignment and transfer, however, is with the express understanding that the said Lessor retains all rights in said leases provided, and particularly its right to the payment of any unpaid rentals thereon, with all legal remedies incident thereto.

Executed this 12th day of May, A. D. 1934.

CITY OF BLOOMINGTON,
L. F. WELLMERLING,
Mayor.

HERMAN J. BOCK,
City Clerk.

Motion by Alderman Olson, seconded by Alderman Gray, that the prayer of the petitioner be granted.

Motion carried.

The Clerk read the following communication:

Bloomington, Illinois, May 11, 1934.

Hon. L. F. Wellmerling, Mayor, and Members of the City Council, City of Bloomington, Illinois:

GENTLEMEN:—In view of the fact that the City of Bloomington has seen fit to appeal from the decision of the local Circuit Court awarding the securities heretofore collaterally pledged to the City of Bloomington to the Receiver for

the general benefit of all the creditors rathr than for the specific benefit of the City of Bloomington, there arises the question of whether or not the Bank should make the necessary outlay for insurance, etc., to protect equities in real estate and other insurable interests involved during the time required for the appeal.

Without committing ourselves to any definite obligation to insure any or all of the insurable interests which might be involved in and amongst these collateral securities, it seems to me only equitable to ask the City of Bloomington to stand ready to reimburse us for any expense necessary for insurance protection laid out in this connection.

I would, therefore, be pleased to have your honorable body give consideration to this proposition and advise this receivership as to your disposition toward standing the necessary insurance coverage charges sustained in protecting these equities in the event that the City of Bloomington should happen to prevail in the Appellate Courts of this State.

Respectfully submitted,

WILLIAM L. O'CONNELL, Receiver
By CARTER PIETSCH,
Deputy Receiver.

Motion by Alderman Olson, seconded by Alderman Gray, that the communication be referred to the City Attorney and Judiciary Committee.

Motion carried.

The Clerk read the following:

Bloomington, Illinois, April 28, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

I. Inasmuch as we, the undersigned, having been led to believe, first, by the legal return of beer nationally, and second, by local ordinances passed previous to this time making provision for a separate license for the sale of beer only at a reasonable license fee, that we would be able to handle beer in addition to our principal businesses—inasmuch as we did therefore buy and now have on hand expensive beer equipment which we will no longer have any use for if the present license of four hundred dollars remains our sole means of being licensed by the City of Bloomington to sell beer; and

II. Inasmuch as we began to handle beer as an accomodation to our clientele who wish to drink beer with their meals and lunches, beer having a calory and vitamin content and being a natural accompainiment to food, and *not* being regarded as a principal source of profit; and

III. Inasmuch as we believe strictly in temperance, the existence of which, we are convinced, the simple sale of beer alone does not endanger or destroy and since we do not wish to be forced either out of our subordinated beer business nor into the liquor business by a license fee which would be exhorbitant in view of the volume and sort of sale we have for beer; and

IV. Inasmuch as we, the undersigned, desirous of the most rigid enforcement of local regulations regarding the sale of beer should a separate license be granted us, can point out with pride that neither before or since the return of legal beer and the repeal of the Eighteenth Amendment have we been guilty at any time of non-observation of federal, state, and local laws which have governed the time and manner of sale for beer and other alcoholic drinks, and that we are observing such laws at the present and shall continue to do so in the future to the best of our ability.

We, the undersigned business men of Bloomington, do earnestly petition the Mayor and the Council of this city to bear these facts in mind and to grant us a separate license at the former fee of one hundred dollars for the sale of beer only in our respective places of business. We ask this in the interest not only of our individual businesses but also in the interest of our patrons, who have demonstrated by previous petition that they do not wish to be compelled to buy their beer from only dealers who handle spirits and other liquors as well.

Signed by 25 petitioners.

Motion by Alderman Schueth, seconded by Alderman Olson, that the petition be referred to the License and Judiciary Committee.

Motion carried.

The Clerk read the following:

Bloomington, Illinois, May 12, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

DEAR SIRS:—Enclosed is a statement for treatments from Dr. A. T. Spath, which I was obliged to take after being injured at the corner of Front and East St. last February.

I hope you will give this bill due consideration and I hope to hear from you in this regard.

Respectfully,

MRS. A. Y. BARNARD,
Custodian McLean Co. Hist. Soc.
McBarnes Bldg.

Motion by Alderman Gray, seconded by Alderman Welch, that the petition be referred to the Claims Committee.

Motion carried.

The Clerk read the following:

PROPOSAL FOR BAND CONCERTS

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

The Bloomington Band Association, a corporation, proposes, submits and offers to be employed as the Municipal Band of Bloomington, Illinois to furnish a band of not more that 40 musicians at any one concert or appearance, to furnish said band at the Municipal Band of the City of Bloomington, and to give two hour concerts or other appearance during the year commencing May 1, 1934 and ending April 30, 1935 at such times and places to be designated by the Mayor of the said City of Bloomington.

Said Bloomington Band Association, a corporation, offers to render the above services for the payment by the said City of Bloomington to the said corporation the sum of $250.00 for each and every concert or appearance during the said fiscal year ending April 30, 1935, which said sums of money shall be paid by the City of Bloomington to said Bloomington Band Association, a

corporation, immediately following each and every concert or appearance as aforesaid.

Dated this 4th day of May, A. D. 1934.

BLOOMINGTON BAND ASSOCIATION, a corporation (Seal)

Accepted this————day of May, A. D. 1934, by the City of Bloomington.

Attest:
HERMAN J. BOCK,
City Clerk.

By
L. F. WELLMERLING,
Mayor.

Motion by Alderman Schueth, seconded by Alderman Gray, that the contract be referred to the Public Property and Finance Committee.

Motion carried.

The Clerk read the following:

WHEREAS, The cost of living expense, clothing and other necessities of life have advanced in the last year our salary has been such that we find it impossible to meet our living expenses and keep our home up to the standard of common American homes as advocated by the National Administration,

WHEREAS, We feel that we are not asking for more than we should receive for our labor,

THEREFORE BE IT RESOLVED, That we, the members of City Fireman Union, Local No. 388 of the International Association of Fire Fighters are most heartily in favor of the resolution that was presented to the Honorable Mayor and City Council by the Honorable Fred Olson of the Seventh Ward and that we do most respectfully request that the Honorable Mayor and Councilmen do all in their power to approve of his resolution,

BE IT FURTHER RESOLVED, That a copy of this resolution be sent to the Honorable Mayor and each member of the City Council and that a copy be part of the minutes of this meeting.

Approved at the regular meeting, May seventh.

Motion by Alderman Olson, seconded by Alderman Ryan, that it be referred to the Finance Committee.

Motion carried.

RESOLUTIONS

Presented by Alderman Turpin:

Bloomington, Illinois, May 11, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That I. P. & L. be notified to cut top out of tree at 406 N. Allin.

Motion by Alderman Turpin, seconded by Alderman Schueth, that the resolution be referred to the City Attorney with power to act.

Adopted.

Presented by Alderman Sargent:

Bloomington, Illinois, May 11, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the City Engineer be and is hereby requested to remove the crossing box at the southwest corner of Front and East Sts., and the crossing be levelled at this point. (Front street side).

Motion by Alderman Sargent, seconded by Alderman Schueth, that the resolution be adopted.

Presented by Alderman Schueth:

Bloomington, Illinois, May 11, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That on Mondays between the hours of 1:00 p. m. and 6:00 p. m. during summer vacation of schools free swimming be permitted at Miller Park for children up to the age of sixteen years with a written permit from their parents.

Motion by Alderman Schueth, seconded by J. Kane, that the resolution be adopted.

Adopted.

Presented by Alderman Griffard:

Bloomington, Illinois, May 11, 1934.

FOR THAT WHEREAS for many years past there have been City appointments made without particular regard for equal representation from all parts of the City of Bloomington.

THEREFORE BE IT RESOLVED by the City Council in regular session assembled that in all future appointments to City positions in each department each appointment from this date shall be made so as to distribute patronage as nearly as possible according to the representative vote cast in each ward for Mayor, based on the last city election previous to the particular appointment then being made.

To illustrate: The total vote cast for the office of Mayor on all tickets at the last mayorality election was ten thousand. In the First Ward the mayorality vote was Twelve Hundred; assuming there were one hundred city positions, there should be one position allotted to each one hundred votes. Hence, twelve appointments for Ward One and likewise in the other wards in proportion to their representative vote.

THEREFORE BE IT FURTHER RESOLVED that future city appointments shall be made to accomplish this end and maintain an equal distribution of patronage as above outlined, provided available persons from wards entitled to said appointments can qualify for the positions to be filled.

Motion by Alderman Griffard, seconded by Alderman Schueth, that the resolution be adopted.

Adopted.

Alderman Turpin offered the following substitute motion: That the resolution read by Alderman Griffard be referred to the Judiciary Committee.

The motion being duly seconded by Alderman J. Kane, carried.

Presented by Alderman Griffard:

Bloomington, Illinois, May 11, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the Liquor Ordinance be amended so as to provide for a classification permitting the sale of beer only; the license fee for such licenses to be One Hundred Dollars ($100.00) per year.

Motion by Alderman Griffard, seconded by Alderman J. Kane, that the resolution be referred to the Council as a whole.

Motion carried.

The Clerk read the following ordinance:

Due to the increased amount of communicable disease releases a third nurse was added to the staff for a two weeks period for releases and for follow up on communicable diseases.

Health education this month took the form of a talk on the Health Camp before the Womens Club, one on Public Health Nursing before the Home Economics club at ISNU, and to Round Up committee on Set Up of Summer Round Up. Miss Carlson took part in a Dental Clinic stunt at the High School and all schools were asked to send in posters on health topics for window display over Health Week and National Child Health Day.

The supervising nurse also assisted the state supervising nurse in arranging a series of talks and meetings for Mrs. Margaret Wells Wood from the American Social Hygiene Society. These talks were given to students, adult groups and to the Council of Social Agencies.

The supervising nurse attended the Parent-Teachers convention at Springfield to hear Dr. Caroline B. Hedgers address on Child Hygiene. She also attended the convention of the three national nurses organizations, the American Nurses Association, League for Nursing Education, and National Organization for Public Health Nursing. This convention was held at Washington D. C. Round tables on school nursing, lay participation, supervision and administration were attended as well as general sessions on general nursing topics. The keynote of the convention was the Nurse and the Changing Order and everything was discussd from this angle.

GLENDORA M. BLAKELY,
Supervising Nurse.

Motion carried.

Presented by Alderman Sargent:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN.—Your Judiciary Committee to which on May 11, 1934, there was referred the resolution presented by Alderman Griffard providing that future city appointments shall be made so as to distribute patronage as nearly as possible according to the representative vote cast in each ward for Mayor, respectfully would report that it has considered said resolution.

The Statute of the State provides that officers shall be appointed by the Mayor, by and with the advice and consent of the City Council. This means that the only person who can make an appointment is the Mayor, and the City Council has no power to dictate to him whom he shall appoint. The Council may reject and refuse to confirm any appointment the Mayor may make, but it can in no way control his appointments. Our Supreme Court also has held that the Mayor cannot delegate his appointive power to any other person or body and that all offices must be filled in the manner prescribed by the Statute.

From the above it is plain that the Council is exceeding its power in attempting to lay down a rule to be followed by the Mayor in making his appointments, and that the resolution in question is not within the province

of the Council. Believing that this Council should not act in matters which are beyond its authority, we would recommend that the resolution not be adopted.

Dated this 18th day of May, A. D. 1934.

A. L. SARGENT,
Chairman.
LAWRENCE W. TURPIN,
Judiciary Comm.

Motion by Alderman Sargent, seconded by Alderman Turpin, that the report be adopted and recommendations concurred in.

Alderman Griffard dissenting.

Presented by Alderman Schueth:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Public Property and Finance Committees to whom was referred the offer of the Bloomington Band Association respectfully would report that we believe the services of the Bloomington Band Association to be very advantageous to the City, and would recommend that said offer be accepted for the current year.

Very truly yours,
ALBERT B. CARSON,
WILLIAM VAUGHAN.

On motion by Alderman Ryan the petition was referred to the Water Board.

The Clerk presented the following petition:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—We, the undersigned, do petition the Park Board, and Custodian of Miller Park to provide suitable grounds for the purpose of pitching horseshoes.

Signed by 92 Petitioners.

Presented by the Clerk:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Whereas: there is in Bloomington, an organization known as the Unemployed Council, and

Whereas: this organization from time to time in their meetings and other places passed remarks in opposition to the American Federation of Labor, and

Whereas: this organization has caused no little trouble in Bloomington, by attempting to incite to riot, and

Whereas: they have repeatedly made statements detrimental to the members of our organization, therefore be it:

Resolved: That the Bloomington Trades and Labor Assembly in regular session, Wednesday, May 16, 1934, call upon the Mayor, the City Council, and the various peace officers of Bloomington and McLean County, to take whatever steps necessary to disrupt this organization, and to get the leaders out of the city, and be it further:

Resolved: that a copy of this resolution be presented before the City Council at the next regular meeting, Friday, May 18, 1934.

On motion by Alderman Turpin, seconded by Alderman Gray, the communication was received and placed on file.

Presented by the Clerk:

Bloomington, Illinois, Friday, May 18, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We beg to submit the following report of the Electrical Commission of the City of Bloomington:

Our first meeting of the Electrical Commission, under the new administration, was held in the City Hall on July 6, 1933. William T. Maloney, City Electrician and chairman of the Commission, Arthur J. Ross, representing the journeymen electricians, Notley J. Butler, representing the Service Company, Rolla B. Neal, representing the Fire Department, and Guy Carlton, repre-

senting Electrical Contractors. Carlton was elected secretary of the Electrical Commission. Up to date the Commission has had twenty-one meetings.

New rules and regulations have been worked out and are now ready for the approval of the Mayor, City Council and City Attorney. The City Electrician, William T. Maloney, and the Commission, have put in a lot of extra time trying to make up a set of rules that would be satisfactory to the Service Company, the electrical contractor and owner.

The commission sent out an invitation to the electrical contractors and persons engaged in the electrical business and had them meet at the City Hall while the new rules and regulations were read, so that if there was anything that they did not understand this was the time to discuss and make changes if necessary.

We trust that you will find this report satisfactory and beg to remain,

The Electrical Commission of the City of Bloomington.

GUY CARLTON, *Secretary.*

On motion by Alderman J. Kane, seconded by Alderman Gray, the communication was received and placed on file.

Presented by the Clerk:

REVOCATION OF POWER-OF-ATTORNEY

KNOW ALL MEN BY THESE PRESENTS: That, Whereas, the INLAND BONDING COMPANY, a corporation of the State of Indiana, in and by its Power (s) of Attorney, bearing date (s) of: December 4th, 1929 did nominate, constitute and appoint: FRED W. BUELOW its true and lawful Attorney (s)-in-Fact, at Bloomington, in the State of Illinois to make, execute, seal and deliver for and on its behalf, and as its act and deed, any and all bonds and undertakings hereafter required by BERENZ & SON, a partnership of Bloomington, Illinois, guaranteeing the performance of any contract, or the condition of any contract, to be filed in McLean County, or elsewhere in the State of Illinois; all such bonds and undertakings to be signed for the Company and the seal of the Company to be attached thereto by the said Fred W. Buelow.

NOW, KNOW YE, that the INLAND BONDING COMPANY by its Secretary, has revoked, countermanded, annulled and made void, and by these presents does revoke, countermand, annul and make void the said Power (s)-of-attorney above mentioned, and all power or authority thereby given or intended to be given to the said Attorney (s)-in-Fact.

IN WITNESS WHEREOF, the INLAND BONDING COMPANY has caused these presents to be signed by its Secretary and its corporate seal to be hereunto affixed and duly attested by its Assistant Secretary, this 12th day of May, 1934.

Attest: INLAND BONDING COMPANY

RESOLUTIONS

Presented by Alderman Jno. Kane:

Bloomington, Illinois, May 18, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That Mr. Petrie at 1101 W. Market street wishes to erect a Summer Garden in connection with his business—if granted will pay for police protection.

On motion by Alderman J. Kane, seconded by Alderman Ryan, the matter was referred to the License Committee.

Presented by Alderman Goodger:

Bloomington, Illinois, May 18, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the offer of Lewis Pickett & Co. of Chicago to refund an issue of Bloomington, Illinois 6% general obligation bonds, now outstanding into 4½% bonds, as more fully outlined in their offer of May 18, 1934, be accepted and that the Mayor and City Clerk be and they are hereby authorized to sign said agreement.

Chicago, Illinois, May 18, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—We find from our records that the City of Bloomington has outstanding an issue of $125,000 6% General Obligation Bonds dated February 1, 1921, due February 1, 1941, and optional at the end of any interest paying period after February 1, 1931.

We are of the opinion that you would serve the interests of this city in a very definite way by taking advantage of the present municipal financial market and exercise your option to call these bonds and replace them with bonds of a lower coupon rate. The bond which you now have outstanding is generally known as a Sinking Fund bond, where the entire issue is due at one time and the funds are impounded from year to year and held in a sinking fund. This type of bond issue has come into disfavor in recent years due to the fact that sinking funds have for many reasons not fared well. We would therefore suggest that the new issue be due serially, starting the first maturity in August, 1936,

and continiuing in increasing amounts over a period of twenty years from date, the maturities increasing as the interest payments decrease.

We will purchase the refunding issue from you and take complete charge of the work, furnishing all ordinances and resolutions necessary, together with the final approving opinion of either Messrs. Chapman and Cutler, Attorneys, or Holland M. Cassidy, Attorney, of Chicago, prepare and publish all call notices, also the completed bonds ready for signature of the proper officials, the new bonds to carry a coupon of 4½%. In other words, we will accomplish this refunding with no expense on the part of the city, and cut the interest rate from 6% to 4½%. This offer is made strictly subject to our obtaining the favorable legal opinion of either of the above law firms.

Inasmuch as the ordinance authorizing the bond issue now outstanding specifies no term of notice for the call of these bonds, our attorneys advise us that the period should be at least sixty days, as there are several law suits on record where bondholders have refused to give up their bonds with the plea that the period of notice was not long enough and did not reach them, and it is in our opinion therefore imperative that action on this problem be taken immediately so that the bonds could be called on August 1, 1934.

This offer is therefore made subject to your immediate acceptance, and a resolution accepting it will be considered an offer and acceptance between the city and ourselves.

Respectfully submitted,

LEWIS, PICKETT & CO.
By B. F. LEWIS.

The above offer is hereby accepted for and on behalf of the City of Bloomington, Illinois, this 18th day of May, 1934, and the Mayor and City Clerk have been by said resolution authorized to affix their signatures.

Presented by the Clerk for Alderman Marquardt:

Bloomington, Illinois, May 18, 1934

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the Sup't of Streets be and is hereby instructed to excavate and widen creek about 400 feet east of Colton avenue, and on the line with Marion street to prevent flooding of land and basements.

On motion by Alderman Schueth, seconded by Alderman Turpin, the resolution was adopted.

On motion by Alderman Sargent, seconded by Alderman Goodger, the taxi cab insurance policies of John W. Langhoff and T. N. Hill were approved.

On motion by Alderman Welch, seconded by Alderman Goodger, the bond of Martha M. Hochrack was approved.

The Clerk read the following ordinance,

AN ORDINANCE

AMENDING SECTIONS 6, 8, 16, 19 AND 24 OF AN ORDINANCE LICENSING AND REGULATING THE SALE OF INTOXICATING LIQUOR AND REPEALING A CERTAIN ORDINANCE THEREIN SPECIFIED PASSED BY THE CITY COUNCIL OF THE CITY OF BLOOMINGTON, ILLINOIS ON MARCH 2, 1934, AND APPROVED BY THE MAYOR OF SAID CITY ON MARCH 3, 1934.

Be It Ordanied by the City Council of the City of Bloomington, Illinois:

Section 1. That Sections 6, 8, 16, 19 and 24 of an Ordinance licensing and regulating the sale of intoxicating liquor and repealing a certain Ordinance therein specified, passed by the City Council of the City of Bloomington, Illinois on March 2, 1934, and approved by the Mayor of said City on March 3, 1934, be and the same hereby are amended to read as follows:

Section 6. CLASSIFICATION—FEES. Such licenses shall be, and are hereby, divided into four classes, to-wit:

(1) Class "A" licenses, which shall authorize the retail sale on the premises specified of alcoholic liquor for consumption on the premises as well as other retail sales of such liquor. The annual fee for such license shall be $400.00.

(2) Class "B" licenses, which shall authorize the retail sale on the premises specified, of alcoholic liquor not to be consumed on the premises, in drug stores employing a licensed pharmacist, for medicinal, sacramental, mechanical and chemical purposes only, and in quantities of not less than one-half pint and not to exceed one quart; same to be sold in bottles or other containers correctly labeled. The annual fee for such license shall be $36.00.

(3) Class "C" licenses, which shall authorize the retail sale of alcoholic liquor, for consumption on the premises, by Clubs as the same are herein defined. The annual fee for such license shall be $5.00.

(4) Class "D" licenses, which shall authorize the retail sale of beer only by persons whose principal business is other than the sale of beer, for consumption on or off the premises where sold. The annual license fee for such license shall be $100.00.

Section 8. CONSUMPTION ON PREMISES. It shall be unlawful for anyone not having a Class "A", or a Class "C", or a Class "D", license to sell or offer for sale any alcoholic liquor for consumption on the premises where sold, or to permit same to be consumed on the premises where sold.

Section 16. CLOSING HOURS—SUNDAYS. It shall be unlawful for the holder of a Class "A", or a Class "D" license to sell or offer for sale at retail any alcoholic liquor in the City between the hours of one o'clock A. M. and six o'clock A. M. of any day, or on a Sunday except as hereinafter provided.

It shall be unlawful for the holder of a Class "A" or a Class "D" license to keep open for business, or to admit the public to any premises in or on which alcoholic liquor is sold at retail during the hours within which the sale of such liquor is prohibited; PROVIDED, that in the case of restaurants and hotels such establishments may be kept open during such hours but no alcoholic liquor may be sold or consumed by the public during such hours, and PROVIDED FURTHER that the holder of a Class "D" license may be permitted to keep his shop or place of business where beer is sold open for the purpose of carrying on his business other than the sale of beer, but no beer shall be sold to or consumd by the public during such hours. Sales on Sunday by the holders of Class "B" and Class "C" licenses, and between twelve o'clock midnight on Saturday and one o'clock A. M. on Sunday by the holders of Class "A" and "D" licenses, shall be permitted.

Section 19. BOND—FILING OF—CONDITION. Each person desiring a Class "A" or a Class "D" License shall execute a penal bond in the sum of Two Thousand Dollars ($2,000.00), with at least two personal sureties or a solvent surety company licensed to do business in the State of Illinois, to be approved by the Mayor. Said bond shall be filed with the Mayor at the same time the application is presented, and shall be conditioned for the faithful observance by the licensee of the provisions of this ordinance and of the laws of the State of Illinois and of the United States of America applying to the sale and possession of intoxicating liquor, and shall be further conditioned for the payment of any judgment for damages and costs that may be recovered against such licensee in accordance with Section 14 of Article 6 of an Act relating to alcoholic liquors, enacted by the General Assembly of the State of Illinos, approved January 31, 1934. A new bond shall be filed and approved on the renewal of all licenses.

Section 24. PLAYING OF CARD GAMES, DICE GAMES AND OTHER GAMES (EXCEPT BOWLING, POOL OR BILLIARDS) AND DANCING OR OTHER ENTERTAINMENT PROHIBITED—EXCEPTIONS. No person to whom a Class "A" or a Class "D" license is issued hereunder shall permit the playing of card games, dice games, or any other games whatsoever (excepting bowling, pool and billiards) or dancing or other entertainment in the premises covered by his license; PROVIDED, HOWEVER, that dancing shall not be prohibited in any regularly maintained ball room having a Class "A" or a Class "D" license, and which is kept and maintained for public gatherings and entertainment, and is rented out for such purposes, and which is licensed by the City as a dance hall.

Section 2. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage, approval and publication according to law.

Presented by the Clerk:

Bloomington, Illinois, May 21, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

The undersigned respectfully represents that it is necessary to bring the city water from the street into the premises known as 106 S. Gridley street, Bloomington, Illinois;

That it will be more beneficial for all parties concerned that he be permitted to tap said water main at the fire hydrant on the corner of Grove and

Gridley streets to run the service pipe in the lawn thereon so the pavement will not have to be removed.

Your petitioner therefore prays for permission to run the city water into the premises known as 106 S. Gridley street, Bloomington, Illinois, from the fire hydrant on the corner of Grove and Gridley streets.

HOMER ENGLISH,

On motion by Alderman Sargent, seconded by Alderman Olson, the petition was referred to the Water Board and Sup't of Water and Light.

The Clerk presented the following ordinance:

AN ORDINANCE
PROVIDING FOR THE ISSUE OF $122,000 REFUNDING BONDS, SERIES OF 1934, OF THE CITY OF BLOOMINGTON, McLEAN COUNTY, ILLINOIS, AND PROVIDING FOR THE LEVY OF TAXES TO PAY PRINCIPAL THEREOF AND INTEREST THEREON.

* * * *

WHEREAS heretofore this City authorized, issued and sold bonds in the principal amount of One Hundred Twenty-five Thousand Dollars ($125,000), dated February 1, 1921, numbered from 412 to 536, inclusive, bearing interest at the rate of six per cent (6%) per annum, payable semi-annually, due February 1, 1941, and redeemable at the option of the City at the end of any interest period after the first day of February, 1931; said bonds being designated as City of Bloomington 6% Bonds; and

WHEREAS, all of said bonds are presently outstanding; and

WHEREAS, interest upon said bonds has always been paid promptly as it matured and no litigation or questions have ever arisen with respect to said bonds or the authorization thereof; and

WHEREAS, said City has available in its sinking funds a sum sufficient to pay and retire Three Thousand Dollars ($3,000) of said authorized issue, and it is deemed advisable, necessary and for the best interests of said City that said City exercise its option to redeem said bonds at the end of any interest period, and to pay and cancel Three Thousand Dollars ($3,000) of said authorized issue, and to refund the balance of said issue in the aggregate amount of One Hundred Twenty-two Thousand Dollars ($122,000), bearing a lower interest rate and providing for serial maturities, and thus effecting a saving to the City; and

WHEREAS, due to the present situation with respect to the collection of taxes in the County, it is doubtful as to whether or not funds will be available for the purpose of paying said bonds at maturity, and it will be necessary to issue bonds in place of and supply means to meet said bonds at their maturity; and

WHEREAS, the market for the sale of securities at the present time makes it possible for the City to negotiate and sell bonds bearing a lesser rate of interest than the bonds presently outstanding. Therefore, it is deemed advisable at this time to exercise the right given by the statutes of the State of Illinois to issue refunding bonds and to authorize and exercise the option given the City in the ordinance authorizing the City of Bloomington 6% Bonds, dated February 1, 1921, to call and pay said bonds at the end of the interest period of August 1, 1934.

NOW, THEREFORE, Be It Ordained by the City Council of the City of Bloomington, McLean County, Illinois:

Section 1. That negotiable coupon bonds of the City of Bloomington in the principal amount of One Hundred Twenty-two Thousand Dollars ($122,000) be issued to supply means to meet and pay $122,000 City of Bloomington 6% Bonds dated February 1, 1921, numbered from 412 to 533, inclusive, in like principal amount, issued pursuant to an ordinance adopted by the City Council of the City of Bloomington on September 24, 1920.

Section 2. That the bonds hereby authorized be designated Refunding Bonds, Series of 1934, be 122 in number, numbered from 727 to 848, inclusive, be of the denomination of $1,000, dated August 1, 1934, be due and payable in numerical order $3,000 on August 1 of each of the years 1936 and 1937, $4,000 on August 1, 1938, $5,000 on August 1 of each of the years 1939 to 1943, inclusive, $6,000 on August 1 of each of the years 1944 and 1945, $7,000 on August 1 of each of the years 1946 and 1947, $8,000 on August 1 of each of the years 1948 and 1949, $9,000 on August 1 of each of the years 1950 and 1951, $10,000 on August 1 of each of the years 1952 and 1953, and $7,000 on August 1, 1954, bear interest at the rate of four and one-half per cent (4½%) per annum, payable on February 1, 1935, and semi-annually thereafter on the first day of February and August in each year, and that both principal and interest be payable at the Continental Illinois National Bank and Trust Company in the City of Chicago, Illinois; that said bonds be

signed by the Mayor and City Clerk of said City and be sealed with the corporate seal thereof, that the interest accruing upon said bonds be evidenced by interest coupons attached thereto and signed with the facsimile signatures of the Mayor and City Clerk of said City, which officers shall, by the execution of said bonds, adopt as and for their respective signatures, their respective facsimile signatures appearing on said coupons.

Section 3. That said Refunding Bonds, Series of 1934, and the coupons thereto attached, be in substantially the following forms:

(Form of Bond)

UNITED STATES OF AMERICA
STATE OF ILLINOIS COUNTY OF MCLEAN

CITY OF BLOOMINGTON
REFUNDING BOND, SERIES OF 1934

No..... $1,000

Know All Men by These Presents, that the City of Bloomington in the County of McLean and State of Illinois, hereby acknowledges itself to owe and promises to pay to bearer, or if registered, to the registered holder hereof, the sum of One Thousand Dollars ($1,000) in lawful money of the United States of America on the First day of August, 19....., with interest thereon at the rate of four and one-half per cent (4½%) per annum, payable February 1, 1935, and semi-annually thereafter on the first day of February and of August in each year upon presentation and surrender of the interest coupons hereto attached as they severally become due, both principal and interest, payable at the Continental Illinois National Bank and Trust Company in the City of Chicago, Illinois; for the prompt payment of this bond, both principal and interest at maturity, the full faith, credit and resources of said City are hereby irrevocably pledged.

This bond is issued by said City in place of and for the purpose of supplying means to meet its valid, outstanding, bonds, pursuant to and in full compliance with an Act of the General Assembly of the State of Illinois entitled "An Act to provide for the incorporation of Cities and Villages," approved April 10, 1872, and all acts supplemental thereto and amendatory thereof, and is authorized by an ordinance duly passed by the City Council of said City and at the time of delivery hereof a like par amount of said outstanding bonds was paid and canceled.

And it is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance of this bond have been properly done, have happened and have been performed in due form and time; that provision has been made for the collection of a direct annual tax sufficient to pay the interest hereon as it falls due and also to pay and discharge the principal hereof at maturity; and that the indebtedness of said City evidenced by this bond did not, at the date of the creation thereof and does not now, exceed any constitutional or statutory limitation.

This bond is subject to registration as to principal in the name of the holder on the books of the Treasurer of said City, such registration to be evidenced by notation of said Treasurer on the back hereof, and after such registration no transfer hereof except upon such books and similarly noted hereon shall be valid, unless the last registration shall have been to bearer. Registration hereof shall not affect the negotiability of the coupons hereto attached which shall continue negotiable by delivery merely, notwithstanding registration hereof.

In Testimony Whereof, the City Council of said City has caused this bond to be signed by the Mayor and the City Clerk of said City and the corporate seal thereof to be hereto affixed and the coupons hereto attached to be signed with the facsimile signatures of said Mayor and City Clerk, which said officers, do by the execution hereof, adopt as and for their respective signatures their respective facsimile signatures appearing on said coupons, all as of the first day of August, 1934.

Section 4. Said bonds shall be executed as in this ordinance provided as soon after the passage hereof as may be and shall be deposited with the City Treasurer and shall be by him issued and delivered to Lewis, Pickett & Co., Chicago, Illinois, in accordance with a contract heretofore entered into for purchase thereof at a price not less than the par value thereof and accrued interest, which contract is hereby ratified and approved, *but only on* the simultaneous surrender and cancellation of a like amount in par value of the City of Bloomington 6% Bonds, dated February 1, 1921, to supply means to meet which said Refunding Bonds, Series of 1934, are issued so that the total debt of said City shall not for any moment of time be increased. Such delivery of Refunding Bonds, Series of 1934, shall be made so that the debt of the City will in no manner be increased either as to principal or interest.

Section 5. That, in order to provide for the collection of a direct annual tax sufficient to pay the interest on said bonds as it falls due and also to create a sinking fund to pay and discharge the principal thereof at maturity, there be and there is hereby levied on all the taxable property within said City a direct annual tax sufficient for that purpose and that there be and there is hereby levied upon all the taxable property in said City the following direct annual tax, to wit:

For the year 1934, a tax sufficient to produce the sum of $8,235 to pay interest and principal up to and including February 1, 1936;

For the year 1935, a tax sufficient to produce the sum of $8,422.50 for interest and principal;

P. J. IRVIN,
Sidewalks and Bridges Comm.

Motion by Alderman Harting, seconded by Alderman Gray, that the report be adopted and recommendations concurred in.

Adopted.

Presented by Alderman Olson:

Bloomington, Illinois, April 20, 1934.

REPORT ON THE MATTER OF GRANTING SEPARATE CLASSIFICATION PERMITTING SALE OF BEER ONLY.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the undersigned, members of the City Council, would respectfully report that we do not favor a separate classification permitting the sale of beer only, for the following reasons:

First: We have been reliably informed that many of the licensees holding Class "F" Licenses under our former ordinance, sold intoxicating liquor, in violation of the ordinance, and we have reason to believe that if a beer license is issued such violations of the law would be frequent and it would be very difficult to enforce the ordinance, as such sales would be made under cover and only to customers well known to the licensees.

Second: Since only one license is granted by the Federal and State governments, entitling the licensee to sell all kinds of intoxicating liquor, the Federal government and State government could not assist the City in the prosecution of violations of this ordinance.

Third: Holders of beer licenses, so violating the ordinance, would be in unfair competition with the holders of Class "A" licenses.

Respectfully submitted,
FRED OLSON,
C. H. KURTZ,
H. A. WELCH,
P. J. IRVIN,
FRANK H. GUNN,
WILLIS SCHUETH,
A. L. SARGENT.

Motion by Alderman Olson, seconded by Alderman Sargent, that the report be adopted and recommendations concurred in.

His Honor, the Mayor, directed the Clerk to call the roll which resulted as follows:

Ayes: Welch, Summers, Kurtz, Sargent, Gunn, Schueth, Irvin, Olson. 8.

Nays: Gray, Turpin, Harting, Kane, Goodger, Marquardt. 6.

Adopted.

Presented by Alderman Kane:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Committee on Streets and Alleys, to whom was referred the petition of Mrs. Laura B. Schorsch, asking for permission to excavate in Gridley street, between Jefferson and Monroe streets, for sewer and water connections, would respectfully report that we have investigated the matter and would recommend that permission be granted to do the work, provided that all rules and regulations of the City Engineer's Department are complied with.

Respectfully submitted,
EDWARD KANE,
FRED OLSON,
WILLIS SCHUETH,
Streets and Alleys Comm.

Motion by Alderman Kane, seconded by Alderman Summers, that the report be adopted and recommendations concurred in.

Adopted.

Petition presented by Alderman Irvin:

Motion carried.

The Clerk read the following communication:

Springfield, Illinois, April 17, 1934.

Mr. Herman J. Bock, City Clerk, Bloomington, Illinois:

DEAR MR. BOCK:—Replying to your favor of March 24th regarding the election of aldermen, wish to say that I have already presented a bill regarding the election of trustees in villages, but the Speaker ruled that it could not be adopted under the present call. This bill of course would be similar to the aldermanic bill and unless we can induce the Governor to include it in the next call, it will be impossible to do anything until the next General Session.

Yours very truly,
G. J. JOHNSON.

Motion by Alderman Schueth, seconded by Alderman Harting, that the communication be received and placed on file.

Motion carried.

Resolution—Presented by Alderman Goodger:

Bloomington, Illinois, April 20, 1934.

Presented by Alderman Harting:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Sidewalk Committee to whom was referred the following resolutions would respectfully report that we have investigated these complaints and do recommend that the work be done:

Resolution by Alderman Kurtz that the Sup't of Streets cut off large dangerous limb which is damaging hard maple tree on lawn at the southwest corner of Grove and McLean streets.

Resolution by Alderman Gray to cut down large dangerous tree at 704 N. Prairie street.

Resolution by Alderman Kurtz that the City Engineer be instructed to lower two concrete slabs raised by tree roots at 1510 E. Olive street.

Resolution by Alderman Gray to put in two intersections—one on the northeast and one on the northwest corner of Linden and Locust streets.

Resolution by Alderman Harting to lower one slab raised by tree roots at 106 W. Buchanan street; also repair one slab broken by city employees while cutting down limb on premises at 1229 S. Mason street.

Respectfully submitted,

CHAS. H. HARTING,
DEWITT GRAY,
P. J. IRVIN,
Sidewalks and Bridges Comm.

Motion by Alderman Harting and seconded by Alderman Gray, that the report be adopted and recommendations concurred in.

Motion carried.

Presented by Alderman Kurtz:

Bloomington, Illinois, May 29, 1931.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

SIRS:—I wish to call your attention to the fact that I have been overcharged on my assessment for City Pavement in front of my property at 306 Gray Avenue. Before this pavement was put down I made complaint to both Mr. O'Connell and Mr. Willis, who spread the assessment.

The total distance from Madison Street to Lee Street is 462 feet. The distance from Madison Street to the East line of my lot is 228 feet and the distance from the West line of my lot to Lee Street is 198 feet. Taking the difference between these two figures you can arrive at the amount of my frontage, which is 36 feet, while I am charged with 43.9, which is an overcharge of 7.9.

The Tax Books show that the lot from Madison street to the East line of my lot is 228, while the assessment for this lot is only 220 feet, so you can see from the above that I am charged with pavement which belongs to someone else.

As stated above, I have made complaint to both Mr. O'Connell, City Attorney, and Mr. Willis and have received no relief, therefore I am taking this matter up with your Honorable body, with the hope that I will be given the relief which I feel I am entitled to.

Thanking you in advance for your consideration in this matter, I am,

Yours very truly,

EARL E. POTTS, 306 Gray Avenue.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Claims Committee and City Attorney have investigated the Claim of Earl Potts, 306 Gray avenue, for relief on assessments on Gray avenue and feel that this is a just claim and would recommend that the Comptroller be instructed to settle with Mr. Potts accordingly. He has a piece of property that in reality only measures 35.7 feet east and west and has been assessed on the basis of owning 43.6 feet which is 7.9 feet more ground than he owns.

Respectfully submitted,

C. H. KURTZ,
FRED OLSON,
LAWRENCE W. TURPIN,
Claims Comm.

THOS. A. WELDON,
City Attorney.

Motion by Alderman Kurtz, seconded by Alderman Harting, that the report be adopted and recommendations concurred in.

Adopted.

Motion made by Alderman Turpin, seconded by Alderman Summers, the question of amending the liquor ordinance so as to permit

the sale of beer only, which on March 30, 1934, was referred to the entire Council, be brought back to the Council in open meeting.

Alderman Schueth offered the following as a substitute motion: That Alderman Olson set a date for a meeting of the whole Council as a committee to discuss the advisability of adopting separate beer ordinance.

Substitution motion being duly seconded by Alderman Gray was adopted.

RESOLUTIONS

Presented by Alderman Schueth:

Bloomington, Illinois, April 13, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That we hereby indorse Mr. McLarty's suggestion of a four year term for aldermen and Mayor, provided that half of the aldermen be elected every two years.

Motion by Alderman Schueth and seconded by Alderman Olson, that the resolution be adopted and recommendations concurred in.

Adopted.

Presented by Alderman Summers:

Bloomington, Illinois, April 13, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the Sup't of Streets is hereby requested to have a man take care of the 500 and 600 blocks on North Main street. There is always a big quantity of paper there on a windy day, also try and find out who is responsible for the same and try to stop it in the future.

Motion of Alderman Summers, seconded by Alderman Turpin, that the resolution be adopted and recommendations concurred in.

Adopted.

Presented by Alderman Turpin:

Bloomington, Illinois, April 13, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That salary of Aldermen in new budget be set at $5.00.

Motion of Alderman Turpin, seconded by Alderman Summers, that the resolution be referred to the finance committee to report back.

Adopted.

Presented by Alderman Sargent:

Bloomington, Illinois, April 13, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the City Engineer repair the holes in East street between Olive street and the Big 4 tracks.

Motion by Alderman Sargent, seconded by Alderman Kurtz, that the resolution be referred to Streets and Alleys Committee, and City Engineer.

Adopted.

Presented by Alderman Marquardt:

Bloomington, Illinois, April 13, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the City Engineer be and is hereby instructed to install proper draining facilities in 1000 block, N. Linden street.

On motion of Alderman Marquardt, seconded by Alderman Schueth, the resolution was adopted.

Presented by Alderman Schueth:

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the City Attorney and Streets and Alleys Committee make a survey and advise the Council as to the advisability of cutting down all bug-infested box elder trees on City property.

Motion by Alderman Schueth, seconded by Alderman Summers, that the resolution be adopted.

Adopted.

Presented by Alderman Sargent:

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the American Legion be given permission to sell poppies on May 26, 1934.

Motion by Alderman Sargent, seconded by Alderman Olson, that the resolution be adopted.

Adopted.

The Clerk read the following:

Sign to be installed at 120 South Center street, Massie Cammeron.

Motion by Alderman Harting, seconded by Alderman Gray, that the petition be referred to the City Electrician with power to act.

Motion carried.

The Clerk read the following:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the members of the Citizens' Civic League through our chairman, James F. Fike, respectfully petition your honorable body to take immediate action in securing the reduction of charges for gas in the city of Bloomington.

CITIZENS' CIVIC LEAGUE.
JAMES F. FIKE, *Chairman.*

RESOLUTION

Whereas, the Union Gas & Electric Company is still maintaining war time rates on gas service to residents of Bloomington, and whereas said company has made salary cuts to employees, and whereas said charges are out of proportion to reductions in charges of other commodities,

Therefore Be It Resolved by the Citizens' Civic League that a petition be filed with the City Council of the city of Bloomington, requesting that the city take necessary action for the reduction of said rates.

CITIZENS' CIVIC LEAGUE.

Motion by Alderman Olson, seconded by Alderman Harting, that the petition be referred to the City Attorney and Judiciary Committee.

Motion carried.

The Clerk read the following communication:

El Paso, Illinois, April 12, 1934.

City Council, Bloomington Illinois

GENTLEMEN:—I am in the market for Lot 3, Block 14 in Camp Potowatamie, Lake Bloomington. I am submitting my offer of $50.00 for same, subject to your approval. I remain,

Very truly yours,
D. C. DIERS.

Motion of Alderman Harting, seconded by Alderman Turpin, that the petition be referred to Lake Bloomington, Park Board, Comptroller, and the Mayor.

Motion carried.

The Clerk read the following report:

Bloomington, Illinois, April 5, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your committee to whom was referred the petition of Robert Scollie and Vallee Steffen to build a Fruit stand at 1206 S. Main street, Bloomington, Ill., would respectfully report we have investigated same. As they have complied with the City Building code and rules of the fire department we recommend that permit be granted.

ROLLA NEAL,
Fire Chief.
WM. T. MALONEY,
Building Inspector.

Motion of Alderman Kane, seconded by Alderman Summers, that the petition be adopted and recommendations concurred in.

Motion carried.

The Clerk presented the renewal of bond No. 3780419-A of Edward Shirk in the Fidelity and Deposit Company of Maryland; also the bond renewal No. 3621634 in the Fidelity and Deposit Company of Maryland of Pat G. Hall.

On motion of Alderman Welch, seconded by Alderman Gray, the bonds were approved.

Motion by Alderman Goodger, seconded by Alderman Summers, that a committee consisting of one Alderman from each ward be appointed to meet with the board of Local Improvements, Tuesday, April 17th, 1934 at 2:00 p. m., for the purpose of setting up a programme as required by the State under the Motor Fuel Tax Law, the committee to report back Friday, April 20th, 1934.

Adopted.

The Clerk read the report of the Health department.

Bloomington, Illinois, April 10, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—I herewith submit the report of the City Health Department for your approval.

DR. B. MARKOWITZ,

During the month the number of office calls and telephone calls has exceeded any month of the year due to the epidemic of measles. Four nurses were on duty in the field during this month accomplishing much more by way of home visiting, classroom inspection, weighing and measuring and communicable disease control than could have been possible with the regular staff. Even with the additional two nurses much of the follow up work due to the epidemic could not be taken care of.

At the request of the Negro Clubwomen a survey was made of the negro children as to nutrition, defects, tuberculosis incidence, immunization, Mantoux tests, etc.

All children who attended the health camp last year were reweighed and were checked for corrections and gain. A Limberlost Round-up at the Western Avenue Community Center was well attended and fifty of the children plus the camp personnel were there to sing, and entertain. Talks were given on the accomplishments and future needs and prospects of the camp.

Bloomington, Ill., March 21, 1934.

If I am granted a permit for the construction of a one-story building at 1001 North Main street, City of Bloomington, Illinois, application for which I now have pending with the City of Bloomington, I agree that no fruit, vegetables or other merchandise of any kind or nature whatsoever will be placed or kept on that part of the lawn owned by the City or on the sidewalks;

and I further agree that said sidewalks and lawn will be kept clean of any rubbish or garbage and that the same will be cleaned up daily.

H. C. RHODUS.

Motion by Alderman Harting, seconded by Alderman Irvin, that the report be adopted and recommendations concurred in.

On substitute motion made by Alderman Marquardt, seconded by Alderman Schueth, the matter was laid over one week in order that property owners in the vicinity could voice their objections should they care to do so.

Substitute motion carried.

Alderman Irvin dissenting.

Presented by Alderman Kane:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Streets and Alleys Committee to whom was referred the following resolutions would respectfully report that we have investigated the same and would recommend that the work be done:

Resolution by Alderman Olson, that the Sup't of Streets be and is hereby directed to place alley, between Olive and Packard streets, west of C. & A. R. R. in passable shape.

Resolution by Alderman Olson, that the Sup't of Streets be and is hereby directed to cut down, and either cinder or gravel Packard street from Reeves street west to Magoun street.

Resolution by Alderman Gunn, that the Sup't of streets be and is hereby instructed to install wood box culvert at west alley entrance on Catharine street, between Locust and Chestnut streets.

Resolution by Alderman Gunn, that the Sup't of Streets be and is hereby instructed to repair wood box culvert on east side of Mason street, between Locust and Chestnut street.

Resolution by Alderman Marquardt, that the Sup't of Streets be instructed to gravel Division street, between Clinton and Fell.

Resolution by Alderman Turpin, that the Sup't of Streets be and is instructed to put in first class shape, with gravel if possible, Morris avenue from Market street south to pavement.

Resolution by Alderman Turpin, that the Sup't of Streets be and is hereby instructed to repair alley in 1500 block west Locust.

Respectfully submitted,

ED KANE,
WILLIS SCHUETH,
FRED OLSON,
Streets and Alleys Comm.

On motion by Alderman Kane, seconded by Alderman Olson, the report was adopted and recommendations concurred in.

Presented by Alderman Summers:

Bloomington, Illinois, March 23, 1934.

City of Bloomington;

GENTLEMEN:—To the honorable City Council, I herewith petition this body for a building permit to build an addition to the South of the present building that I have at the corner of 106 S. Lee street as I am planning to move my Handy Shop in that building and will need an addition of 16 ft. to the South, and 19 ft. to the East and West. Will build fire proof, according to City Ordinance and to carry out the general construction of the present building.

Respectfully yours,

RUDY'S COAL & LUMBER CO.,
RUDOLPH H. GARLING.

On motion by Alderman Summers, seconded by Alderman Welch, the petition was referred to the Fire Committee and Building Inspector.

Presented by the Clerk:

To the Honorable Mayor and City Council of the City of Bloomington

PETITION OF PROTEST

We the undersigned property owners and residents of the City of Bloomington, residing in the surrounding neighborhood and in proximity to Lot Eleven (11) Block Five (5) of University Addition to the City of Bloomington, being the property located at 1001 North Main Street, Bloomington, Illinois, hereby respectfully submit this our petition of protest.

Whereas the owner or owners of the above described property or a person or persons have petitioned the Honorable Mayor and City Council of the City of Bloomington for permission to erect a store or stand in the nature of an outdoor market on said above described premises.

And whereas, we the undersigned believe such a store or stand in the nature of an outdoor market to be a serious detriment, and a public nuisance to the surrounding neighborhood and property of said above described premises.

And whereas, we the undersigned know from past experience that if said permission is granted to erect said store or stand in the nature of an outdoor market on the above described premises, it will result in a public nuisance to the surrounding property owners and residents, and to the neighborhood as a whole, due to the obnoxious odors, noise, and to the general detraction of beauty of the neighborhood.

And whereas, we the undersigned believe that such a stand or store in the nature of an outdoor market, will cause the surrounding and neighboring property to depreciate in value.

Therefore, we respectfully submit this our petition of protest and request, the Honorable Mayor and City Council of the City of Bloomington, to give this petition serious and due consideration, and to refuse to grant any permission, license or franchise to the owner or owners of the above described premises or to any person or persons whatsoever, for the purpose of allowing said owner or owners of the described premises, or any other person or persons whatsoever to erect or maintain on said premises any stand or store in the nature of an outdoor market or any other enterprise of a like nature.

The petition is signed by 71 property owners and residents.

Motion by Alderman Marquardt, seconded by Alderman Schueth that the prayer of the petitioners be granted.

On motion by Alderman Marquardt, seconded by Alderman Turpin the rules were suspended to permit those interested to voice their protest against the erection of building at 1001 N. Main street.

Alderman Turpin offered the following as a substitute motion: 'That the matter be referred to the Fire Committee, Fire Chief and City Attorney."

Substitute motion being duly seconded by Alderman Summers.

The Clerk was directed to call the roll on the substitute motion which resulted as follows:

Ayes: Summers, Turpin, Harting, Kane, Marquardt, Schueth. 6.

Nays: Gray, Welch, Sargent, Kurtz, Gunn, Goodger, Marquardt, Schueth. 8.

Substitute motion lost.

The roll was then called on the original motion of Alderman Marquardt, which resulted as follows:

Ayes: Gray, Welch, Summers, Turpin, Harting, Kane, Kurtz Sargent, Gunn, Goodger, Marquardt, Schueth, 12

Nays: Irvin, Olson. 2.

Motion carried.

Presented by the Clerk:

To His Honor the Mayor and the City Council of the City of Bloomington, Illinois

GENTLEMEN:—We, the undersigned property owners and residents living in the vicinity of the Illinois Live Stock Commission company, petition your Honorable Body not to allow patrons of this Company, or others, to park trucks or cars on the north side of Lincoln Street between N. K. R. R. tracks and Bunn Street, and on the south side of Lincoln street between Wright street and the Big 4 tracks, also, only on one side of Clayton street, between Miller and Lincoln streets, same to be determined by the Committee.

The conditions as they now exist, during times of sales, usually held on Thursday and Saturday of each week, make it unsafe to travel these streets, and also creates a fire hazard.

We look to your Honorable Body for some reasonable relief in this matter.

The petition is signed by 32 property owners and residents.

On motion by Alderman Kurtz, seconded by Alderman Sargent, the petition was referred to the Police Committee.

On motion by Alderman Summers the following petitions were received and referred to the City Electrician with power to act:

A. B. Sign Service, 301 North Main street.

Theo. Iseman, 318 North Center street.

Presented by the Clerk:

Bloomington, Illinois, March 28, 1934

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We the undersigned do hereby petition the City Council to take what ever action is necessary to have the street car rail drains put in repair at the inter-section

of Morris Ave. and Washington streets as the water stands about four inches deep during a thaw and rain.

On motion by Alderman Olson the petition was referred to the City Engineer.

The Clerk read the following:

LIQUORS: Classification by cities.

Mr. Thomas S. Weldon, City Attorney, Bloomington, Illinois:

DEAR SIRS—Replying to your letter of the 27th instant, will say it is my conclusion that cities, etc., have the power to make such a classification of liquor licenses as would authorize the sale of beer only. Many cities, villages and incorporated towns are, under the provisions of Section 1, Article 4 of the Liquor Control Law, doing the very things suggested in your letter. Some cities, etc., refuse to make such a classification to sell beer only, because they regard it as an invitation to the licensee to cheat. The question is one for local determination by the proper authorities and for enforcement after that.

You are reminded that under the law I am the legal adviser of State's attorneys, State officers, board and commissions only, and for that reason what I have herein stated is not to be taken as official; it is given you as a matter of courtesy only.

Yours very truly,
OTTO KERNER
Attorney General.

On motion by Alderman Olson, seconded by Alderman Irvin the communication was received and placed on file.

Bloomington, Illinois, March 26, 1934

In the matter of the application of ILLINI COACH COMPANY, INC. for a certificate of convenience and necessary for the convenience and necessity for the transportation of persons between Bloomington, Twin Grove, Danvers, Woodruff, Lilly, Mackinaw, Menert, Tremont, Leslie, and Pekin over State Bond Issue Routes Nos. 122 and 164. 22949

Mr. Herman Bock, City Clerk, City of Bloomington, 313 N. Center, Bloomington, Illinois.
Mr. A. R. Farmer, City Clerk, City Hall, Pekin, Illinois.
Mr. William Koch, City Clerk, Tremont, Illinois.
Mr. T. L. Heansel, City Clerk, Mackinaw, Illinois.

DEAR SIR:—You are hereby notified that a hearing will be held on the above entitled application at the office of the Commission at Springfield, Illinois, Centennial Building Annex on Wednesday, April 18, 1934, at the hour of 9:30 A. M., at which time and place you may appear or be represented if you so desire.

Yours respectfully,
ILLINOIS COMMERCE COMMISSION
WILLIAM W. HART,
Secretary.

On motion by Alderman Summers seconded by Alderman Turpin the communication was received and placed on file.

The Clerk read the following:

Springfield, Illinois, March 27, 1934.

Mr. Herman J. Bock, City Clerk, Bloomington, Illinois:

DEAR MR. BOCK:—Governor Horner has asked me to acknowledge receipt of your letter of March 24th, stating that your City Council had adopted a resolution concerning the recent law which will cause the Mayor and Aldermen all to be elected at the same time every two years, denouncing the law as un-American and as depriving the people of the right to control the Government except in two year periods.

This is to advise you that this matter was sponsored by cities which were under the Aldermanic form of Government, and evidently at the time this amendment was pending your Senator and Representatives had an opportunity to ascertain whether or not your city wanted this law.

I would suggest if you are not satisfied with it that you have your Senator and Representatives introduce an amendment in the General Assembly to have the law changed to suit the views of your Council.

Very truly yours,
ALEXANDER WILSON,
Administrative Assistant.

Gridley, Illinois, March 26, 1934.

Mr. Herman J. Bock, City Clerk, Bloomington, Illinois:

DEAR MR. BOCK:—I wish to acknowledge receipt of your communication of March 23rd, 1934 with reference to Resolution adopted by the City Council of Bloomington. There would be no chance of repealing the particular law you speak of at this particular time as the same would not be within the call of the special session now in progress.

In the event of another special session, provided it could be within the call or at the next regular session commencing in January 1935 there could be an effort made to secure the form of action desired.

Yours very truly,
L. C. SIEBERNS.

On motion by Alderman Schueth seconded by Alderman Irvin the communications were received and placed on file.

Presented by the Clerk:

Bloomington, Illinois, March 30, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—The Young Men's Club wishes to extend to all of you an invitation to its luncheon next Tuesday noon, April 3, at the Illinois Hotel.

The program has been planned at a "Political Hound-up", to which all the candidates for the City, County, State and National offices of both the Democratic and Republican Parties have been invited.

Hon. Bruce Campbell of East St. Louis will speak for the Democratic Party and Congressman Ralph A. Horr of Seattle, Washington, for the Republican Party.

The candidates will be introduced without speeches.

Reservations can be made with the Secretary of the Club, Mr. Lloyd Eyer, at W. B. Read and Company, telephone No. 3450.

Yours very truly,
WALTON B. ISCH, *President.*

P. S.—Plate reservation 75c.

On motion by Alderman Irvin, seconded by Alderman Olson the invitation was accepted and placed on file.

Presented by the Clerk:

RESOLUTION

AUTHORIZING MAYOR TO PLEDGE IN THE NAME OF THE CITY THE TOTAL AMOUNT OF MONEY LISTED AS LOCAL CONTRIBUTIONS ON APPLICATIONS TO CIVIL WORKS ADMINISTRATIONS.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

that the Mayor of said City be and he hereby is authorized to pledge in the name of the City the total amount of money listed as the local contributions Item XI on all applications made by the City to the Civil Works Administration.

Be it further resolved, that as soon as can be legally done, the necessary amount of money be appropriated by the City to cover the amount of such contributions.

Motion by Alderman Olson, seconded by Alderman Summers that the resolution be adopted.

The Clerk was directed to call the roll, which resulted as follows:

Ayes: Gray, Welch, Summers, Turpin, Harting, Kane, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin, Olson. 14.

Nays: 0.

Motion carried.

Presented by the Clerk:

Chicago, Illinois, March 1, 1934.

Hon. L. F. Wellmerling, Mayor of the City of Bloomington, Bloomington, Ill.

DEAR SIR:—In our negotiations with various people representing the City of Blomington in connection with the question of relocating a portion of our telephone toll line from the boundaries of the airport, it was understood that CWA labor would be furnished for the unskilled work in connection with this project. We were also given to understand that this CWA labor would be supervised by a representative of the City of Bloomington or some CWA employee and that the Telephone Companies would be relieved of any and all liability for personal injuries to CWA labor while engaged in this work.

I have been told that these CWA workmen are considered to be employes of the Federal Government and that liability for injuries rests in that quarter. However, I have received nothing official to support this contention, and we would appreciate it very much if you would have the City Council pass the enclosed Resolution relieving the American Telephone and Telegraph Company and the Illinois Bell Telephone Company from liability for injuries to CWA workmen while assisting in rerouting our telephone line from the western boundary of the Municipal Airport.

If passed, I would like to receive for my files a copy of the Resolution.

I understand our construction forces expect the arrival of necessary material for this job within a week or ten days and work will start promptly upon the arrival of poles, wires, cross arms and other material.

Yours very truly,
DAVID F. HALL,
Division Attorney.

A RESOLUTION releasing the American Telephone and Telegraph Company and Illinois Bell Telephone Company from any and all liability as a result of personal injuries to CWA labor furnished by the City of Bloomington in connection with the relocation of a portion of the pole line and wires of said Companies from the western boundary of the Blomington Municipal Airport.

———

Be It Resolved by the City Council of the City of Bloomington, County of McLean and State of Illinois:

that the City of Bloomington hereby releases and discharges the American Telephone and Telegraph Company and the Illinois Bell Telephone Company, their successors and assigns, from any and all manner of actions, suits, damages, claims and demands on account of any personal injuries sustained by or claimed to have been sustained by CWA labor furnished said Telephone Companies by the City of Bloomington in connection with the relocation of a portion of the pole line and wires of said Companies from the western boundary of the Bloomington Municipal Airport, all of said work to be completed within Thirty (30) days from the passage of this Resolution.

Passed this 30th day orf March, A. D. 1934.

Attest:
HERMAN J. BOCK,
Clerk of the City of Bloomington.

L. F. WELLMERLING,
Mayor of the City of Bloomington.

On motion by Alderman Sargent, seconded by Alderman Olson the resolution was adopted.

RESOLUTION

Presented by Aldeman Summers:

Bloomington, Illinois, March 30, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That when my colleague was speaking of the beautiful new church, Holy Trinity and the fine High School near the same, he should have went a couple of blocks south and feasted his eyes on a structure at Mulberry and Madison streets which was erected hastily and without any iron in its entire length and and breadth, and which also was to be torn down at the expiration of the revival, the structure has a tendency to increase the insurance rates on all surrounding property and the neighborhood for two blocks away deem it a fire hazard and a menace to their property; also setting near the center of the city is not an attraction with any of the visitors, I would respectfully ask that the Fire Committee and Fire Chief, and if necessary, the State Fire Marshal, make a thorough examination and see what can be done to give the people of that part of the Second Ward relief from such a structure.

On motion by Alderman Summers, seconded by Alderman Olson the resolution was adopted.

On motion by Alderman Harting, seconded by Alderman Turpin the rules were suspended to permit owners of restaurants to air their views relative to the sale of beer.

Alderman Schueth called the attention of the Council the matter of disposing immediately of the car rails left on the lawns by CWA workers.

Alderman Schueth also suggested that the Finance Committee, City Attorney and Comptroller take under advisement the framing of an ordinance requiring a deposit for water rent to renters.

On motion by Alderman Olson, seconded by Alderman Kane the question of amending the liquor ordinance so as to permit the sale of beer only was referred to the entire Council.

On motion by Alderman Kurtz, seconded by Alderman Sargent the meeting adjourned.

Resolution by Alderman Harting that the Sup't of Streets be and is instructed to cut down two trees on lawn at 609 and cut limb at 611 E. Front street.

Resolution by Alderman Kurtz that the Sup't of Streets be and is hereby instructed to trim trees in lawn at 706 E. Olive street, damaging roof.

Resolution by Alderman Kurtz that the Sup't of Streets be and is hereby instructed to take down tree at the corner of Olive and Moore. 1424 E. Olive.

Respectfully submitted,
ED KANE,
FRED OLSON,
WILLIS SCHUETH,
Streets and Alleys Comm.

On motion by Alderman Kane, seconded by Alderman Olson, the report was adopted and recommendations concurred in.

Presented by the Clerk:

Bloomington, Illinois, April 5, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your committee to whom was referred the petition of Robert Schollie and Valle Steffen to build a Fruit stand at 1206 S. Main street, Bloomington, Ill., would respectfully report we have investigated same. As they have complied with the City Building code and rules of the fire department, we recommend that permit be granted.

ROLLA NEAL,
Fire Chief.
WM. T. MALONEY,
Building Inspector.

On motion by Alderman Harting, seconded by Alderman Summers, the matter was laid over one week.

Presented by the Clerk:

Bloomington, Illinois, April 3, 1934.

DEAR SIRS:—I would like a permit to beautify the alley at 307 E. Chestnut street by planting "Boleana Poplars" along the side of a brick wall next to the alley.

ROSA GIRKY.

On motion by Alderman Welch, seconded by Alderman Gray, the petition was referred to the Streets and Alleys Committee and City Attorney.

Presented by the Clerk:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

DEAR SIRS:—I respectfully petition your honorable body to excavate in N. Gridley from 303 North to Monroe street and from 303 South to Jefferson, for the purpose of installing water and sewer service.

Respectfully yours,
MRS. LAURA B. SCHORSCH.

P.S.—I would like to get this through as soon as possible, please.

On motion by Alderman Gray, seconded by Alderman Irvin, the petition was referred to the Streets and Alleys Committee.

Presented by the Clerk:

703 S. Mason Street, Bloomington, Illinois, April 6, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—On Friday, March 30th, 1934, at 8:20 a. m. my daughter, Harriett Smock, was driving my car south over the south Main street viaduct. A street department truck, belonging to the City of Bloomington, was parked on the viaduct, near the top, or high part, at the west curb. In order to go around this truck she had to drive onto the street-car rails, same being slick from the melting snow, the car skidded and she lost control of the steering

wheel and my car plunged into the rear left wheel of the City truck, causing a bad accident which injured my daughter and did considerable damage to my car.

I want to call your attention to the fact that parking is forbidden on this viaduct, and naturally we don't expect to find any vehicles parked there. Also that there was no warning sign or signal whereby my daughter had any chance to know, in approaching this "parked truck", that there was any dangerous obstacle to traffic; or any usual danger sign that there were, "street repairs", or "men working".

These conditions, as stated, were the real cause of this accident, and I am in a position to prove to you, or your committee, that these conditions did exist at that time.

You can readily see, that, if the City truck had not been "parked" there, my daughter could have driven over the viaduct safely. She has been driving many months, and has never had an accident before.

I am asking your honorable body to allow me the cost of repairing the damages to my car.

Very respectfully,
V. R. SMOCK.

On motion by Alderman Harting, seconded by Alderman Olson, the petition was referred to the Claims Committee.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the undersigned, respectively ask that the occupant of the lot at 106 South Lee street be requested to clean up the premises, as it is a dirty and unsightly place. Signed by Six Petitioners.

Presented by the Clerk:

Springfield, Illinois, March 29, 1934.

Herman J. Bock, City Clerk, City Hall, Bloomington, Illinois:

DEAR SIR:—Thank you very much for your letter of March 24th, notifying me of the action of the Bloomington City Council.

What would you think of a bill which would make the term of mayor and aldermen four years by providing that one-half of the council would be up for reelection every two years? This, in the main, is the plan which the League has in mind and, if possible, we want to introduce such a bill when the General Assembly reconvenes on April 17th. We would appreciate having your reaction to this sort of a proposal.

Very truly yours,
A. D. MCLARTY, *Secretary.*

On motion by Alderman Marquardt, seconded by Alderman Summers, the communication was laid over one week.

The Clerk read the following:

RESOLUTION AUTHORIZING EXECUTION OF LEASE WITH W. D. BRICKEY, FOR FARM LAND AT BLOOMINGTON AIRPORT.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the Mayor and City Clerk be and they hereby are authorized to execute, on behalf of the City of Bloomington, a written lease with W. D. Brickey, for farm land at Bloomington Airport, which lease is submitted herewith.

THIS AGREEMENT Made and entered into by and between the City of Bloomington, Illinois, party of the first part and W. D. Brickey, party of the second part, This Sixth day of April, 1934, WITNESSETH That the City of Bloomington, Illinois, the party of the first part hereby LEASE to said party of the second part, during the year commencing on the First day of March, 1934, and ending on the First day of March, 1935, the following described real estate in McLean County, Illinois, to-wit:

Northeast Quarter (1/4) of Section One (1), Township Twenty-three (23) North, Range Two (2) East of the 3rd P. M.; known as the Bloomington Airport.

An the said party of the second part, in consideration of the premises and benefits to be derived from the use and occupation of the premises above described, hereby agrees and covenants with the first party.

1. To take good care of all buildings, fences and improvements upon said real estate; to properly cultivate and care for the hedges, trees and shrubbery of all kinds that may now be or hereafter put upon said premises, and keep them in as good order and repair as the same now are, natural wear and decay and unavoidable accidents only accepted, to furnish the seed for, and cultivate at his own expense, said real estate during the term aforesaid.

2. To cultivate said land as follows: To plow the land in breaking at least six inches deep, and to harrow and roll the same as much as is necessary to put it in good condition for planting, to plant the corn in check rows, that it may be plowed each way, and to plow the corn at least three times over.

3. To allow no stock upon said premises with burs upon them, nor to allow any cockle burs to grow on said land while in his possession.

4. To distribute all manure that may from time to time collect in any place or places upon said premises as the first party may direct; provided said manure shall not be removed off the premises hereby leased.

5. To keep all ditches and water courses clear from obstruction, so as to allow the water to drain off freely, and not to stand to the detriment of either pasture or plow land.

6. To pay to the first party a yearly rent of one-half of all grain raised on said premises, including wheat now growing; same to be delivered to the nearest elevator, at first party's direction; (First party to pay its half of machine bill for threshing and shelling.) Also $5.00 per acre for all grass lands, lots, etc., the same to be paid on or before the first day of October, 1934, in the manner aforesaid.

7. Not to assign this lease to any person or persons without the written consent of the first party endorsed thereon.

8. That the party of the first part shall have and hold a lien upon all the crops raised upon said premisees to secure the full payment of all rents as stipulated in the sixth article of this agreement, and to secure the paymnt of all moneys, advanced to second party while tending said grain.

9. To vacate said premises at the expiration of this lease without any notice to quit or any demand, and to deliver up the premises to the first party.

10. It is understood and agreed that if the party of the second part shall from any cause fail to comply with all his agreements herein, the said party of the first part may at any time when such failure occurs, take active possession of such premises and buildings thereon, which party of the second part agrees to surrender, and employ other persons to tend said crop and perform all the agreements of the second party as herein contained as fully as the same are contemplated in this agreement, and after deducting all money advanced, all moneys or grain due for the rent, and the expense of attending said crop as aforesaid, to pay the residue, if any, to the second party.

11. It is hereby agreed that so soon as the crop shall be harvested and taken off the lands, or any portion of the lands rented, or said portion from which said crop is taken, shall at such times be subject to the control of the first party, and said party may enter upon and fully possess and control such land or portion of land aforesaid as if the same had never been leased.

12. It is hereby agreed that all damages resulting to either party from any failure to comply with the terms of this agreement shall be collectible without any relief whatever from the valuation of appraisement laws of the State of Illinois.

13. It is expressly understood and agreed between the parties hereto, that the lands hereinabove described constitute the Bloomington Airport, and that there are now under construction on said lands various improvements in the development of said airport, and other improvements will be made and said airport in operation during the life of this lease, and that nothing contained herein shall in any manner interfere with or limit to any extent the making of such improvements in the development of said airport and in the operation thereof as such.

14. It is further understood and agreed that the location and kinds of crops to be grown on said premises, as well as the location of pastures, are to be subject at all timees to the direction and control of the Airport Committee of the City of Bloomington; and that no crops shall be grown on said lands which would interfere with the use of said lands as an airport.

15. Second party agrees to sow grass seed with such portion of small grain crop as first party's Airport Committee may direct; the seed to be furnished by first party.

16. It is further understood and agreed that all livestock is to be kept well fenced and kept in such places as shall be designated by first party's Airport Committee.

17. Second party agrees to keep the grass mowed on the runways on said airport and to mow same when requested so to do by first party's Airport Committee.

18. Second party shall have no right to use the tenant house located on Route 9 on said premises.

19. Second party hereby expressly waives any claim for damages to crops, live stock, or otherwise, which may be occasioned by the improvement of said airport or its operation as such.

20. Second party is to have no control whatsoever over the operation of said airport or any concession which may be granted on said premises; it being understood that second party's only interest in said premises is with respect to such farming operations thereon as may be permitted hereunder.

21. If first party should desire to make improvements on farm buildings or fences on said premises, second party is to furnish the labor thereon and the hauling of materials; and such materials to be furnished by first party.

Witness our hands and seals the day and year first above written.

Attest:

It is understood that the City grants unto said B. M. Donavan the refreshment privileges in said Highland Park between said dates. Merchandise to be sold at price common for goods of like character and qualities prevailing within the City of Bloomington. Said City agrees to pay the said B. M. Donavan in addition to the above grant, for the services hereinafter stipulated to be performed the sum of $28.23 each week during the period covered by this contract and also the sum of $180.00 on Nov. 1, 1934, the above salary being subject to any reduction the City of Bloomington may make to city employees.

In consideration of the above grant and payment the said B. M. Donavan agrees to spend all his time between the dates covered by the contract in the work around and care of said course, and in the management and supervision of said course and activities thereon, and will superintend the upkeep and further construction of said course, and either by himself or some person to be furnished by him, look after the collection of green fees. It is understood that the grant of concessions and the payment of money above provided for shall be the complete compensation for all work to be performed under this contract by the said B. M. Donavan, and no overtime shall be allowed for Sundays, holidays or any extra services. During the winter months the said B. M. Donavan shall, in addition to his other duties, perform the mechanical work of over-

hauling and taking care of the trucks, tractors, mowers and other machinery used in connection with said golf course, and it is further understood that at all times the said B. M. Donavan shall perform such other and additional services as may from time to time be required of him by the Park Board of said City. It is further provided that the said B. M. Donavan shall live in the house provided by said City on the premises at said Highland Park between the dates covered by this contract. IN WITNESS WHEREOF, the said B. M. Donavan has hereunto set his hand and seal, and the said City of Bloomington has caused this instrument to be signed in the corporate name, by its Mayor, and its corporate seal to be attached hereto and attested by its City Clerk all in duplicate on the day and year first above written.

THE CITY OF BLOOMINGTON, ILLINOIS.

Attest: By

HERMAN J. BOCK,
Its City Clerk.

L. F. WELLMERLING,
Its Mayor.

B. M. DONAVAN (SEAL)

Motion by Alderman Schueth, seconded by Alderman Harting, that the report be adopted and recommendations concurred in.

The Mayor ordered the Clerk to call the roll which resulted as follows:

Ayes: Alderman Gray, Welch, Turpin, Harting, Kurtz, Sargent, Marquardt, Schueth, Olson.

Nays: Alderman Summers, Kane, Gunn, Goodger and Irvin.

Motion carried:

The Clerk read the following applications for permission to install signs:

Ed Hammond, 215 E. Douglas street; Blatz Brewing Co., 204 W. Front street; and Blatz Brewing Co. at 1003 S. Morris avenue.

Motion by Alderman Gray, seconded by Alderman Welch, that the applications be referred to the Building Inspector with power to act.

Motion carried.

The Clerk read the following communication:

Bloomington, Illinois, March 9, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Application is hereby made for a permit by the undersigned, owner of 1001 N. Main Street, Bloomington, Illinois, to build on said premises a permanent fruit and vegetable stand which is to be as follows:

Dimensions: 25 ft. by 20 ft. frame; floor to be placed on the ground with joists 24" center to center; 12 ft. high, with studding placed 24" center to center; roof to be covered with suitable fire proof shingles and outside to be covered with imitation fire-proof shingles.

Respectfully submitted,
H. C. RHODUS.

Motion by Alderman Olson, seconded by Alderman Summers, that the communication be referred to the Sidewalk Committee, Building Inspector and Fire Chief.

Adopted.

The Clerk read the following petitions:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the undersigned citizens of the City of Bloomington, Illinois, respectfully request that due consideration be given the petition requesting a separate license for the sale of beer, as presented by the restaurant and confectionery owners on March 2nd, 1934. Inasmuch as beer is commonly used as a beverage with lunches and meals, we believe that these merchants should be licensed for the sale of beer only.

Signed by 900 petitioners.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the undersigned citizens of the City of Bloomington, Illinois, hereby most respectfully petition your honorable body to immediately amend the liquor license ordinance recently passed, said amendment to provide for license to sell beer only in restaurants and soda fountains at a fee of not to exceed $100.00 per year.

It is our belief that there are a great many people who enjoy beer drinking and who would patronize the restaurants or soda fountains for that purpose, but who would not go upon the premises of any person selling drinks stronger than beer, and that this particularly applies to women of our community.

It is also our belief that thre are a great many people who enjoy beer with their meals, who will not be able to enjoy this liberty, unless such an amendment is made for the reason that the restaurant owner cannot, for both moral and financial reasons afford to purchase a regular liquor dealers license.

Respectfully submitted,
Signed by 59 petitioners.

Motion by Alderman Harting, seconded by Alderman Summers, that the petitions be referred to the License and Judiciary Committee.

RESOLUTION

Presented by Alderman Irvin:

Bloomington, Illinois, March 9, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the City Attorney notify the Nickel Plate Railway to repair their crossing on South Allin street.

Motion by Alderman Irvin, seconded by Alderman Olson, that the resolution be adopted.

Carried:

Motion by Alderman Irvin, seconded by Alderman Kurtz, that the Council recess to listen to E. Mark Evans discuss the Meadows Mfg. Co. situation.

The Mayor called the Council to order.

Motion by Alderman Schueth, seconded by Alderman Sargent, that the Mayor, Comptroller, and City Attorney be authorized on behalf of the City to cooperate with Mr. J. R. Whitehead, E. M. Evans and C. K. Woodin to the extent of the Meadows obligation to the City of Bloomington for water sold to the Meadows plant during the term of receivership.

Carried.

The Mayor presented the name of Alvin W. Meadows for appointment as special police for the State Farm Mutual Insurance Company.

Motion by Alderman Sargent, seconded by Alderman Gray, that the appointment be confirmed and bond approved.

Motion carried.

The Clerk read the following reports:

Building and Electrical Inspector, City Sealer, Water and Light and the Comptroller.

Bloomington, Illinois, March 9, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—For your approval I herewith submit my report showing the receipts and expenditures and financial statement at the close of business February 28th, 1934. There is now a balance of $11,203.83 held on the closed banks.

Subscribed and sworn to before me this 7th day of March, A. D. 1934.
(SEAL)

W. M. BROWN, *Notary Public.*

Motion by Alderman Olson, seconded by Alderman Sargent, that the meeting adjourn until 7:00 p. m. Monday, March 12, 1934.

Adjourned session of the regular meeting of March 9, 1934, said adjourned session convened in the Council Chamber, City Hall Building, Monday, March 12, 1934 at 7:00 o'clock p. m.

The meeting was called to order by His Honor, the Mayor, who directed the Clerk to call the roll. The following members answered present:

Mayor Wellmerling, Alderman Gray, Welch, Summers, Turpin, Harting, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin and Olson. 13.

Absent: Alderman Kane.

The Clerk read the following resolution:

RESOLUTION

WHEREAS, the Meadows Manufacturing Company and Hal M. Stone, its Receiver, are indebted to the City of Bloomington, Illinois, for water, in the sum of $2,385.29; and

WHEREAS, the assets of said company have been, by the United States District Court for the Southern District of Illinois, ordered to be sold by said Receiver, on March 13, 1934; and

WHEREAS, under and by virtue of the order of sale entered by said Court, creditors are permitted to bid at such sale, individually, or as a group, and to use receiver's certificates or accounts, to the extent to which they may properly be used, in payment of the purchase price at such sale; and

WHEREAS, certain of the creditors are proposing to join as a group, together with other persons and corporations, in the purchase of the assets of said company;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Bloomington, Illinois, that the Council deems it to the best interests of said City to join in the purchase of said assets and that the Mayor and City Clerk be and they are hereby authorized to execute all of the necessary papers required to perfect the plans as proposed in a certain agreement dated March 12, 1934, in and by which agreement J. R. Whitehead, E. M. Evans and C. K. Woodin, are named as Managers to carry out such proposed plan and to represent the bidders at such sale; and, in the event said Managers shall at such sale purchase said assets, then the said Officials of the City are authorized to assign to said Managers, or to whomsoever they may designate, the certificates and accounts representing said indebtedness for water, and to receive in exchange therefor the City's pro rata share of its interest in said assets or of the corporation to which the same may be transferred, as provided for in said agreement.

The Mayor directed the Clerk to call the roll which resulted as follows:

Ayes: Alderman Gray, Welch, Summers, Turpin, Harting, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin, Olso. 13.

Carried.

Alderman Turpin offered the following resolution:

Your Honor, Gentlemen of the Council:

Inasmuch as this is a meeting especially adjourned and convening tonight to give special consideration to the furthering of a specific business proposition to promote Bloomington's business, mainly in this instance for the purpose of creating work for perhaps two hundred people, I believe it is in order that we spend a few minutes in surveying Bloomington's business and its progress in general. We all know our present day problem is one of reemployment. The spirit of today is anything to give men employment. Our first thoughts must be given to the man who must earn a living and to the man who can pay him a living. As representatives of the people of our city, it is certain that each of

us do not miss a chance to better Bloomington at every opportunity. It is our implied duty to assist the businesses we have and to cooperate with them wherever possible for the best interests of our community and to show a real enthusiasm for their growth. It is with a great deal of pride that we review the construction that has taken place in Bloomington the past year and that planned in the near future. As an humble servant of second ward it is with pardonable pride that I would point out to you the completion of a fine new church built mainly as a result of the courage and perserverance of Father Moore, of Holy Trinity, the building of which aided labor and the result is a real asset to our community. I am sure as a group, we are glad to extend to Father Moore our most sincere congratulations and any assistance or cooperation possible from this body.

Not many blocks south of this structure one of Bloomington's youngest though one of her largest industries is planning an addition of four stories to their quarters—with a labor contribution of at least 75,000 dollars. I am sure we are unanimous in offering the same resolution of appreciation and cooperation to Mr. Geo. Mecherle of State Farm Mutual Auto Ins. Co. With apologies to your honor, I should like to suggest the appointment of a standing committee, purely functional in nature which might from time to time make suggestions to this body as to possible means of assisting the progress of Bloomington business and industry—this committee to work closely with Bloomington business, industry and labor and their organizations. Your honor, I offer the following resolutions:

Bloomington, Illinois, March 9, 1934.

That the City Council instruct the Mayor to draw up in proper form and with due respect a congratulatory messarge to the Rev. Father Stephen N. Moore, Holy Trinity Church, and offering the full cooperation of this body wherever needed, and

That the City Council instruct the Mayor to draw up in proper form and with due respect a congratulatory message to Mr. Geo. J. Mecherle, Pres. State Farm Mutual Ins. Co., and offering full cooperation of this body wherever needed.

Motion by Alderman Turpin, seconded by Alderman Gray, that the resolution be adopted and recommendations concurred in.

Carried:

On motion by Alderman Sargent, and seconded by Alderman Olson, the meeting adjourned.

Norman J. Rock
City Clerk.

PETITION FOR THE REDUCTION OF TELEPHONE RATES

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

We, the members of the Citizens' Civic League through our chairman, James F. Fike, respectfully petition your honorable body to take immediate action in securing the reduction of telephone rates in the city of Bloomington.

CITIZENS' CIVIC LEAGUE
JAMES F. FIKE,
Chairman.

RESOLUTION:

Whereas the Wabash Telephone Company in the city of Bloomington is still maintaining war time rates on telephone service, and whereas salaries and wages have been rduced by part-time employment, and whereas such service charge is out of proportion to said charges,

THEREFORE BE IT RESOLVED by the Citizens' Civic League that a petition be filed with the city Council, requesting that the city take action to reduce said rates.

CITIZENS' CIVIC LEAGUE

On motion by Alderman Harting, seconded by Alderman Irvin, the matter was referred to the Judiciary Committee and City Attorney.

On motion by Alderman Kurtz, seconded by Alderman Harting, the City Attorney was directed to represent the City of Bloomington when notified by the Commerce Commission when the latter conducts a hearing on the matter of securing a reduction in telephone rates.

Presented by Alderman Kane:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Streets and Alleys Committee to whom was referred the following resolutions would respectfully report that we have investigated the same and would recommend that the work be done:

Resolution by Alderman Marquardt that the Sup't of Streets be instructed to gravel 400 - 500 blocks on Union street, when weather permits.

Resolution by Alderman Marquardt that the Sup't of Streets be instructed to grade alley to keep water from running in the basement at 304 East Empire street, when weather permits.

Respectfully submitted,

ED KANE,
F. OLSON,
WILLIS SCHUETH,
Streets and Alleys Comm.

On motion by Alderman Kane, seconded by Alderman Summers, the report was adopted and recommendations concurred in.

RESOLUTIONS

Presented by Alderman Summers:

Bloomington, Illinois, March 16, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That we believe the men who compose the Board of Education are honest and as efficient as those who are finding fault with them and who would just as soon close the schools and stop the children of the wage earner from getting an education, that we, as representatives of the City, ask the fair-minded people to give their whole hearted support to their appeal for aid to keep the schools going at the election on Monday, March 19.

On motion by Alderman Summers, seconded by Alderman Sargent, the resolution was adopted.

Presented by Alderman Turpin:

Bloomington, Illinois, March 16, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That inspection be made of the traffic problem at intersection of Washington and Allin streets and steps be taken to correct same.

On motion by Alderman Turpin, seconded by Alderman Summers, the matter was referred to the Chief of Police and Sup't of Water and Light.

Presented by Alderman Harting:

Bloomington, Illinois, March 16, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the Mayor and Chief of Police make arrangements to place an officer at the corner of Miller and Main streets at 3:30 o'clock afternoons on school days.

On motion by Alderman Harting, seconded by Alderman Marquardt, the resolution was adopted.

Presented by Alderman Sargent:

Bloomington, Illinois, March 16, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That Sup't of Water and Light install an electric traffic light at the intersection of Grove and Main streets.

On motion by Alderman Sargent, seconded by Alderman Kurtz, the matter was referred to the Chief of Police and Sup't of Water and Light.

Alderman Summers and Alderman Turpin also requested that the Chief of Police and Sup't of Water and Light give due consideration the matter of installing a traffic light at the intersection of Market and Main streets.

Presented by Alderman Marquardt:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—As Chairman of your Fire Committee and in advance of fire prevention day, April 18th, there are a number of recommendations which I shall outline which should be followed up as rapidly as finances will permit that a reduction in insurance rates in this City may be effected.

1. Study needs of the fire department and determine whether personnel and apparatus are sufficient in quantitty and quality to cope with fire conditions in the community.

2. To secure proper training and drill of personnel of the fire department through an adequately conducted drill school. The value of the new drill tower is inestimable as a means of proper training, and the great saving in hose which will be effected by its drying racks and I am glad to have helped in this project.

3. To secure an adequate report of all mercantile, industrial and public buildings by both regular firemen and a fire prevention bureau properly organized and endowed with adequate authority. The former is being done by the latter is in my estimation, a very worthy procedure.

4. To investigate the reliability and adequacy of fire alarm telegraph system and efficiency of alarms by telephone.

5. To investigate the possibilities of well directed salvage operations on the part of the fire department with a view to reducing to a minimum losses from weather exposure, etc.

6. Study investigation and prosecution of incindiaries with a view to securing the co-operation of the police department and other agencies in eliminating arson.

7. A study of water supply from fire production standpoint which has been done and is constantly under the superivsion of a very capable Sup't of Water and Light, included in this should be a check-up distribution system, number and location of hydrants, size of mains, pressure and I might say in passing many mains in this City are of insufficient size.

8. To secure standardization of hose couplings to national standards so it may be possible to exchange fire department service with adoining cities in emergiencies.

9. To study traffic conditions to insure rapid response of apparatus to alarms in any sections.

10. To make an investigation of the fire protection afforded rural sections and to take steps to secure additional rural protection if necessary.

11. Investigate possibility of providing work for the idle by means of community improvement, building of beautification programs which will include many features having a direct bearing upon fire prevention and control.

12. Furnish industrial department a local chamber of commerce with fire prevention information and fire loss data for solicitation of new industries which is the primary need of this City. While some of these things are being done I urge that others be constantly labored for; that our citizens may avail themselves of lower rates in insurance to which they are entitled.

Respectfully submitted

HARRY MARQUARDT,
Chairman Fire Comm.

On motion by Alderman Marquardt, seconded by Alderman Irvin, the resolution was adopted.

Presented by Alderman Marquardt:

Bloomington, Illinois, March 16, 1934.

During the month three CWS nurses were assigned to the staff. On of these nurses was again assigned to the County Tuberculosis Nurse and the other two were sent out with the staff nurses under close supervision for the first week and later were each given two schools for communicable disease control and nutrition program.

A severe epidemic of measles and chickenpox has brought the number of home calls and inspections higher than any previous month. This epidemic is still at its peak at the close of the month.

All children attending the Limberlost health camp last year are being reviewed and measured and rechecked. The first dinner of the Limberlost committee will be held in March to stimulate interest in this project for 1934.

All children who are attending the nursery school at Emerson under the CWES project were examined by physician and daily inspection of these children is made by the school nurse.

The Negro children are being examined by the request of the Negro Womens Organizations who are preparing a health program for Negro Health Week April 8.

Four nurses have been on duty the last two weeks of the month.

GLENDORA M. BLAKELY,
Supervising Nurse.

On motion by Alderman Summers, seconded by Alderman Turpin, the reports were received and placed on file.

His Honor, the Mayor, appointed the following:

Local Liquor Control Commission:

Alderman Olson and Alderman Kane.

On motion by Alderman Harting, seconded by Alderman Olson, the meeting adjourned.

Norman J. Bock
City Clerk.

Motion carried.

The Clerk presented the application for permission from J. W. Coit to install sign at 216 W. Jefferson street and on motion by Alderman Irvin, seconded by Alderman Summers, the petition was referred to the City Electrician with power to act.

The Clerk presented the following petition:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your petitioners, business men and residents of the territory hereinafter referred to, respectfully request and petition that the City Electric line be extended to the corner of Grove and Prairie Streets, or some point in that immediate vicinity, in order that city current may be supplied to the consumers along and adjacent to such extension. Realizing that the Commercial Light and Power Department may not at this time have sufficient funds on hand to construct said extension, we hereby offer to advance the money for the installation and construction of said extension, the money so advanced to be credited upon our electric bills until such time as the money advanced has been repaid to us in such manner, all to be incorporated in a proper agreement between the City and the undersigned.

We believe that the territory that would be served by this proposed extension will yield a large number of consumers and the current consumed will be very high in proportion to the length and the cost of the extension, and that it will be a profitable move upon the part of the City. We respectfully request that your Honorable Body will give our request serious consideration, and we will be glad to appear before you or any of your committees at any time.

Dated this 11th day of August, A. D. 1933.

Signed by 60 Business and Professional Men.

On motion by Alderman Sargent, seconded by Alderman Summers, the petition was referred to Water Board, Light and Wiring Committee, Mayor, Comptroller, City Attorney and Superintendent of Water and Light.

His Honor, the Mayor, submitted the following appointment for confirmation:

W. W. Wrice, special police, Corn Belt Lumber Co.

On motion by Alderman Olson, seconded by Alderman Harting, the appointment was confirmed and the bond approved.

RESOLUTION

Presented by Alderman Summers:

Bloomington, Illinois, February 16, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the Sup't of Streets is hereby instructed to grade alley in rear of 1417 W. Mulberry street, so as to keep the water from running on this lot, will take about 40 or 50 feet of grading.

Motion by Alderman Summers, seconded by Alderman Kane, that the resolution be adopted.

Motion carried.

The Clerk presented the following report:

Bloomington, Illinois, February 16, 1994.

GENTLEMEN:—For your approval I herewith submit my report showing the receipts and expenditures and financial statement at the close of business January 31, 1934. There is now a balance of $10,787.01 held on the closed banks.

STATEMENT OF RECEIPTS AND DISBURSEMENTS

Cash Disbursements	$ 95,031.58
Cash Receipts	73,454.99
Due City for Cash Advances	$ 21,576.59

While the above computation shows that the Light Departments still owes the General Fund of the City $21,576.59 for cash advances, the department holds as an off-set against this indebtedness assets in the form of transmission lines, meters and other equipment of the value of $63,906.03.

Meter deposits are not considered in the above computations as they are held in a separate fund.

I certify that to the best of my knowledge and belief the above statements show the true and correct condition of the Commercial Light and Power Department of the City of Bloomington, Illinois, as of January 31, 1934.

Respectfully submitted,
ELIAS W. ROLLEY,

The Clerk read the following communication:

Bloomington, Illinois, February 23, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

DEAR FRIENDS AND BROTHERS IN CHRIST JESUS:—I am in receipt of your check for $100.00 for the Mission Fund to help in the care of the transients going

and coming through Bloomington during the year and I surely think it is mighty sweet of you to remember us in this wonderful way and co-operate with us to this extent and I am just as grateful to you as I can be and I assure you of our sincere appreciation for this splendid gift and our deep gratitude to you for your many great kindnesses to us in the past.

With all good wishes and much Christian love to you all and a prayer that God will bless and prosper you in every way and direct you in all of your governing bodies with His great knowledge and wisdom, I am in Jesus dear name,

Prayerfully yours "for the other fellow"

(Seal)

WILL H. SHELPER.

Motion by Alderman Harting and seconded by Alderman Turpin, that the communication be accepted and placed on file.

The Clerk read the following communication:

Bloomington, Illinois, February 23, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Superintendent of Water and Light desires to present the following report; relative to water supply, fire protection and insurance rate reduction.

In July, 1931, when the City Council was considering the rehabilitation of the power plant, it considered the purchase of electric power, the generation of power by steam actuated machinery and the generation of powr by internal combustion engines, and, after considerable study diesel oil engines were selected and have proven very satisfactory.

However, before final decision was made the National Board of Fire Underwriters were consulted and their studies indicated that two oil engines would be satisfactory.

I now quote from a letter of August 7, 1931 from the National Board of Fire Underwriters, to Mayor Rhodes, signed by assistant Chief Engineer Mr. Clarence Goldsmith which is as follows:

"It is your desire to carry out improvements sufficient to place the City in the 4th class, and the following improvements will be adequate to do this with a proper margin of safety, provided they are carried out within a reasonable time and no other adverse changes in the fire-fighting facilities within that time.

1. Install two oil-engine-driven generators of 620-KW capacity each and high lift pumps of 2,500,000, 2,500,000 and 1,500,000 gallons a day capacity at the main pumping station.

This entails abandoning the two 350-H. P. boilers at that station but the maintaining of the two 250-hp. boilers and the keeping of one banked at about half steam pressure.

2. Lay 10-inch mains in Prairie and Grove Streets from Washington to Main Streets and in Lee Street from Monroe to Grove Streets.

3. Adopt and enforce a building code agreeing as closely as possible in fire prevention features with the "Building Code Recommended by The National Board of Fire Underwriters" and a fire prevention ordinance in accord with The National Board of Fire Underwriters' "Suggested Fire Prevention Ordinance" (end of quotation).

Mayor Rhodes was then informed by Mr. C. W. Soderstrom, assistant publisher of The Illinois Inspection Bureau, August 10, 1931 as follows:

Complying with a request received from The National Board of Fire Underwriters, please be informed that a change in classification from 5th to 4th class for Bloomington would result in a reduction in fire insurance estimate levels of approximately 2½% for frame mercantile buildings and from 5 to 6% for masonry mercantile buildings.

Manufacturing property inside the city limits and receiving fire protection from the city, will be effected in approximately the same proportion. Dwelling house estimates would not be changed". (end of quotation).

The City has now carried out the first and second provisions to secure this insurance reductions and, so far as I know there has been nothing done to adopt and enforce a building code as outlined in the third paragraph of Mr. Goldsmith's letter.

I would therefore recommend that the City Council give this immediate and serious consideration in order that the benefits of the proposed rate reduction may become effective at an early date.

Respectfully submitted,
C. C. WILLIAMS,
Sup't Water and Light Dept.

Motion by Alderman Sargent and seconded by Alderman Gunn, that the communication be referred to the Judiciary Committee, City Attorney, Fire Committee, Fire Chief, and Building Inspector.

Motion carried.

The following application of Frank A. Lamke for Class "B" liquor license, 415 N. Main street, was read by the Clerk.

Motion by Alderman Olson, seconded by Summers, that application be granted and bond approved.

Motion carried.

The Clerk read the bids from the following firms for one truck:

McCormick-Deering Store, Timmons-Olson Company, Lawrence Rust Company, Auto Service and Sales Corp., Leslie Monroe, Tracy Green, Inc.

Motion by Alderman Olson, seconded by Alderman Irvin, that the bids be referred to the Streets and Alleys committee and the Sup't of Streets.

Motion carried:

On motion by Alderman Olson, and seconded by Alderman Irvin, the meeting adjourned.

The Clerk was directed to call the roll, which resulted as follows:

Ayes: Gray, Welch, Summers, Turpin, Harting, Kane, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin, Olson. 14.

Nays: 0.

Motion carried.

The Clerk presented the following petitions to install signs: D. Christie, 1101 W. Chestnut street; Doc Ritchie, 302 E. Washington street; E. B. Savidge, 111 S. Main street; Lawrence Halbleib, 722 W. Chestnut street.

On motion by Alderman Irvin, the various petitions were referred to the City Electrician with power to act.

Presented by the Clerk:

Bloomington, Illinois, February 26, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

SIRS:—I wish to call your attention to the fact that I have been overcharged on my assessment for City Pavement in front of my property at 306 Gray Avenue. Before this pavement was put down I made complaint to both Mr. O'Connell and Mr. Willis, who spread the assessment.

The total distance from Madison Street to Lee Street is 462 feet. The distance from Madison Street to the East line of my lot is 228 feet and the distance from the West line of my lot to Lee Street is 198 feet. Taking the difference between these two figures you can arrive at the amount of my frontage, which is 36 feet, while I am charged with 43.9, which is an overcharge of 7.9.

The Tax Books show that the lot from Madison Street to the East line of my lot is 228, while the assessment for this lot is only 220 feet, so you can see from the above that I am charged with pavement which belongs to some one else.

As stated above, I have made complaint to both Mr. O'Connell, City Attorney, and Mr. Willis and have received no relief. Therefore, I am taking this matter up with your honorable body, with the hope that I will be given the relief which I feel I am entitled to.

Thanking you in advance for your consideration in this matter, I am,

Yours very truly,

EARL E. POTTS,
306 Gray Avenue.

P.S. This matter has been called to the attention of the City Council before.

On motion by Alderman Harting, seconded by Alderman Olson, that the communication be received and referred to the Claims Committee and City Attorney.

Presented by the Clerk:

Bloomington, Illinois, February 27, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

I. Inasmuch as we, the undersigned, having been led to believe, first, by the legal return of beer nationally and second, by local ordinances passed previous to this time permitting the sale of beer in restaurants and confectioneries at a reasonable license fee, that we would be able to handle beer in addition to our principal businesses—inasmuch as we did buy and now have on hands expensive beer equipment which we will no longer have any use for if the present license fee is raised

and

II. Inasmuch as we began to handle beer as an accomodation to our clientele who wish to drink beer with their meals and lunches, beer having a calory content and being a natural accompaniment to food, and *not* being regarded as a principal source of profit.

and

III. Inasmuch as we believe strictly in temperance, the existence of which, we are convinced, the simple sale of beer alone does not endanger or destroy and since we do not wish to be forced either out of our subordinated beer business nor into the liquor business by an increased license fee which would be exhorbitant in view of the volume and sort of sale we have for beer

and

IV. Inasmuch as we, the undersigned, can point out with pride that neither before nor since the return of legal beer and the repeal of the Eighteenth Amendment have we been guilty at any time of non-observation of federal, state, and local laws which have governed the time and manner of sale for beer and other alcoholic drinks, and that we are observing such laws at the present and shall continue to do so in the future to the best of our ability

We the undersigned business me of Bloomington do earnestly petition the Mayor and the Council of this city to bear these facts in mind and

in framing further ordinances, to permit us to continue the sale of beer in our respective places of business with the same license fee of one hundred dollars as before.We ask this in the interset not only of our individual businesses but also in the interest of our patrons.

Respectfully submitted,
11 RESTAURANT OWNERS.

On motion by Alderman Summers, seconded by Alderman Marquardt, the petition was referred to the License and Judiciary Committee.

Presented by Alderman Kane:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Your Committee to whom was referred bids for trucks would report that they have examined said bids and would recommend that all of them be rejected.

ED. KANE,
WILLIS SCHUETH,
FRED OLSON,

On motion by Alderman Kane, seconded by Alderman Summers, the report was adopted and recommendations concurred in.

Presented by the Clerk:

Bloomington, Illinois, March 1, 1934.

GENTLEMEN:—Judge Chalmer C. Taylor of the Circuit Court of McLean County, Illinois, has given a decision ordering that the securities of the Liberty State Bank, deposited in escrow in safety deposit box in the First National Bank and Trust Company, to secure deposits of the City in the Liberty State Bank under agreement made between the City and said bank, dated May 22, 1931, be turned over to the Receiver.

The purpose of this letter is to ascertain whether or not the City desires to take an appeal from such decision.

Respectfully submitted,
THOS. A. WELDON,
City Attorney.

On motion by Alderman Kurtz, seconded by Alderman Harting, the communication was referred to the Finance Committee and Judiciary Committee.

Presented by the Clerk:

Springfield, Illinois, February 28, 1934.

City Clerk:

DEAR SIR:—Your allotment of Motor Fuel Tax for the month of January, 1934, is $3,630.27.

ERNEST LIEBERMAN,
Chief Highway Engineer.

On motion by Alderman Summers, seconded by Alderman Kane, the communication was received and placed on file.

Presented by the Clerk:

Bloomington, Illinois, March 1, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

Mr. Daly our city plumbing inspector, has been trying to be an efficient inspector, and has been insisting that the plumbers and public, adhere to certain laws and regulations of our City Ordinance, and state plumbing laws.

In this we feel, that Mr. Daly is well within his right, and the following members wish to heartily commend him for his efforts.

On motion by Alderman Turpin, seconded by Alderman Harting, the resolution was adopted.

The Clerk presented the report of the Chief of Police for February, 1934 and on motion by Alderman Gunn, seconded by Alderman Kane, the report was received and placed on file.

The following ordinance was read by the Clerk:

AN ORDINANCE
LICENSING AND REGULATING THE SALE OF INTOXICATING LIQUOR AND REPEALING A CERTAIN ORDINANCE THEREIN SPECIFIED.

Be It Ordained by the City Council of the City of Bloomington, Illinois:

Section 1. DEFINITIONS. Unless the contex otherwise requires, the following terms as used in this ordinance shall be construed according to the definitions given below.

ALCOHOLIC LIQUOR—Any spirits, wine, beer, ale or other liquid containing more than one-half of one percent of alcohol by volume, which is fit for beverage purposes.

RETAIL SALE—The sale for use or consumption, and not for resale.

RESTAURANT—Any public place kept, used, maintained, advertised and held out to the public as a place where meals are served, and where meals are actually and regularly served, without sleeping accomodations, such space being provided with adequate and sanitary kitchen and dining room equipment and capacity and having employed therein a sufficient number and kind of employees to prepare, cook and serve suitable food for its guests.

HOTEL—Every building or other structure kept, used, maintained, advertised and held out to the public to be a place where food is actually served and consumed and sleeping accomodations are offered for adequate pay to travelers and guests, whether transient, permanent, or residential, in which twenty-five (25) or more rooms are used for the sleeping accommodations of such guests and having one or more public dining rooms where meals are served to such guests, such sleeping accomodations and dining rooms being conducted in the same building or buildings in connection therewith and such building or buildings, structure or structures being provided with adequate and sanitary kitchen and dining room equipment and capacity.

CLUB—A corporation organized under the laws of this State not for pecuniary profit, solely for the promotion of some common object other than the sale or consumption of alcoholic liquors, kept, used and maintained by its members through the payment of annual dues, and owning, hiring or leasing a building or space in a building, of such extent and character as may be suitable and adequate for the reasonable and comfortable use and accomodation of its members and their guests and provided with suitable and adequate kitchen and dining room space and equipment and

maintaining a sufficient number of servants and employees for cooking, preparing and serving food and meals for its members and their guests; PROVIDED that such club files with the Mayor at the time of its application for a license under this ordinance two copies of a list of names and residences of its members, and similarly files within ten (10) days of the election of any additional member his name and address; AND PROVIDED FURTHER, that its affairs and management are conducted by a board of directors, executive committee or similar body chosen by the members at their annual meeting, and that no member or any officer, agent, or employee of the club is paid, or directly or indirectly receives, in the form of salary or other compensation any profits from the distribution or sale of alcoholic liquor to the club or the members of the club or its guests introduced by members beyond the amount of such salary as may be fixed and voted at any annual meeting by the members or by its board of directors or other governing body out of the general revenue of the club.

Section 2. LICENSE REQUIRED. It shall be unlawful to sell or offer for sale at retail in the City any alcoholic liquor without having a retail liquor dealer's license, or in violation of the terms of such license.

Section 3. APPLICATIONS. Applications for such licenses shall be made to the Mayor, in writing, signed by the applicant, if an individual, or by a duly authorized agent thereof, if a club or corporation, verified by oath or affidavit, and shall contain the following information and statements:

(1) The name, age, and address of the applicant in the case of an individual; in the case of a co-partnership, the persons entitled to share in the profits thereof, and in the case of a corporation, for profits thereof, and in the case of a corporation, for profit, or a club, the date of incorporation, the objects for which it was organized, the names and addresses of the officers and directors, and if a majority in interest of the stock of such corporation is owned by one person or his nominees, the name and address of such person;

(2) The citizenship of the applicant, his place of birth and if a naturalized citizen, the time and place of his naturalization;

(3) The character of business of the applicant; and in case of a corporation, the objects for which it was formed;

(4) The length of time that said applicant has been in business of that character, or in the case of a corporation, the date on which its charter was issued;

(5) The amount of goods, wares and merchandise on hand at the time application is made;

(6) The location and description of the premises or place of business which is to be operated under such license;

(7) A statement whether applicant has made similar application for a similar other license on premises other than described in this application, and the disposition of such application;

(8) A statement that applicant has never been convicted of a felony and is not disqualified to receive a license by reason of any matter or thing contained in this ordinance, laws of this State, or the ordinances of this City;

(9) Whether a previous license by any state or suddivision thereof, or by the federal government has been revoked, and the reasons therefor.

(10) A statement that the applicant will not violate any of the laws of the State of Illinois or of the United States, or any ordinance of the City in the conduct of his place of business.

Section 4. RESTRICTION ON LICENSES. No such license shall be issued to:

(1) A person who is not of good character and reputation in the community in which he resides;

(2) A person who has been convicted of a felony under the laws of the State of Illinois;

(3) A person who has been convicted of being the keeper or is keeping a house of ill fame.

(4) A person who has been convicted of pandering or other crime or misdemeanor opposed to decency and morality;

(5) A person whose license issued under this ordinance has been revoked for cause;

(6) A person who at the time of application for renewal of any license issued hereunder would not be eligible for such license upon a first application;

(7) A co-partnership, unless all of the members of such co-partnership shall be qualified to obtain a license;

(8) A corporation, if any officer, manager or director thereof, or any stockholder or stockholders owning in the aggregate more than five percent (5%) of the stock of such corporation, would not be eligible to receive a license hereunder for any reason other than citizenship and residence within the political sub-division;

(9) A person whose place of business is conducted by a manager or agent unless said manager or agent possesses the same qualifications required of the licensee;

(10) A person who has been convicted of a violation of any Federal or State law concerning the manufacture, possession of sale of alcoholic liquor, subsequent to the passage of this ordinance, or shall have forfeited his bond to appear in court to answer charges for any such violation;

(11) A person who does not own the premises for which a license is sought, or does not have a lease thereon for the full period for which the license is to be issued;

(12) Any law enforcing public official, any mayor, or alderman; and no such official shall be interested in any way, either directly or indirectly, in the manufacture, sale or distribution of alcoholic liquor.

(13) Any person, association, or corporation not eligible for a State retail liquor dealer's license.

Section 5. TERM—PRO RATING FEE. Each such license shall terminate on the 30th day of April next following its issuance. The fee to be paid shall be reduced in proportion to the full calendar months which have expired in the year prior to the issuance of the license.

Section 6. CLASSIFICATION—FEES. Such licenses shall be, and are hereby, divided into three classes, to-wit:

(1) Class "A" licenses, which shall authorize the retail sale on the premises specified of alcoholic liguor for consumption on the premises as well as other retail sales of such liquor. The annual fee for such license shall be $400.00.

(2) Class "B" licenses, which shall authorize the retail sale on the premises specified, of alcoholic liquor not to be consumed on the premises, in drugstores employing a licensed pharmacist, for medicinal, sacramental, mechanical and chemical purposes only, and in quantities of not less than one-half pint and not to exceed one quart; same to be sold in bottles or other containers correctly labeled. The annual fee for such license shall be $36.00.

(3) Class "C" licenses, which shall authorize the retail sale of alcoholic liquor, for consumption on the premises, by Clubs as the same are herein defined. The annual fee for such license shall be $5.00.

Said license fees shall be payable quarterly, cash in advance.

The license issued hereunder shall be kept posted in a conspicuous place on the premises, and if the same should be lost or destroyed a duplicate shall be issued by the City Clerk.

Section 7. DISPOSITION OF FEES.All such fees shall be paid to the Mayor at the time application is made, and shall be forthwith turned over to the Treasurer. In the event the license applied for is denied, the fee shall be returned to the applicant. If the license is granted, then the fee shall be deposited in the general corporate fund or in such other fund as shall have been designated by the Council, by proper action.

Section 8. CONSUMPTION ON PREMISES. It shall be unlawful for anyone not having a Class "A" or a Class "C" license to sell or offer for sale any alcoholic liquor for consumption on the premises where sold, or to permit the same to be consumed on the premises where sold.

Section 9. LIST. The Mayor shall keep or cause to be kept a complete record of all such licenses issued by him; and shall furnish the clerk, treasurer, and chief of police each with a copy thereof; upon the issuance of any new license, or the revocation of any old license, the Mayor shall give written notice of such action to each of these officers within forty-eight (48) hours of such action.

Section 10. TRANSFER OF LICENSE. A license shall be purely a personal privilege, good for not to exceed one year after issuance unless sooner revoked as in this ordinance provided, and shall not constitute property, nor shall it be subject to attachment, garnishment or execution, nor shall it be alienable or transferable, voluntarily or involuntarily, or subject to being encumbered or hypothecated. Such license shall not descend by the laws of testate or intestate devolution, but it shall cease upon the death of the licensee, provided that executors or administrators of the estate of any deceased licensee, and the trustee of any insolvent or bankrupt licensee, when such estate consists in part of alcoholic liquor, may continue the business of the sale or manufacture of alcoholic liquor under order of the appropriate court, and may exercise the privileges of the deceased or insolvent or bankrupt licensee after the death of such decedent, or such insolvency or bankruptcy until the expiration of such license but not longer than six months after the death, bankruptcy or insolvency of such licensee. A refund shall be made of that portion of the license fees paid for any period in which the licensee shall be prevented from operating under such license in accordance with the provisions of this paragraph.

Any licensee many renew his license at the expiration thereof, provided he is then qualified to receive a license and the premises for which such renewal license is sought are suitable for such purposes; AND, PROVIDED, FURTHER, that the renewal privilege herein provided for shall not be construed as a vested right which shall in any case prevent the Mayor from decreasing the number of licenses to be issued within his jurisdiction.

Section 11. CHANGE OF LOCATION. A retail liquor dealer's license shall permit the sale of alcoholic liquor only in the premises described in the application and license. Such location may be changed only upon the written permit to make such change issued by the Mayor. No change of location shall be permitted unless the proposed new location is a proper one for the retail sale of alcoholic liquor under the law of this State and the ordinances of the City.

Section 12. PEDDLING. It shall be unlawful to peddle alcoholic liquor in the City.

Section 13. SANITARY CONDITIONS. All premises used for the retail sale of alcoholic liquor, or for the storage of such liquor for such sale, shall be kept in a clean and sanitary condition, and shall be kept in full compliance with the ordinances regulating the condition of premises used for the storage or sale of food for human consumption.

Section 14. EMPLOYEES. It shall be unlawful to employ in any premises used for the retail sale of alcoholic liquor any person who is afflicted with, or who

is a carrier of, any contagious, infectious or venereal disease; and it shall be unlawful for any person who is afflicted with or a carrier of any such disease to work in or about any premises or to engage in any way in the handling, preparation or distribution of such liquor.

Section 15. LOCATION RESTRICTIONS. No license shall be issued for the sale at retail of any alcoholic liquor within 100 feet of any church, school, hospital, home for aged or indigent persons or for veterans, their wives or children or any military or naval station; PROVIDED, that this prohibition shall not apply to hotels offering restaurant service, regularly organized clubs, or to restaurants, food shops or other places where sale of alcoholic liquors is not the principal business carried on, if such place of business so exempted shall have been established for such purposes prior to the taking effect of this ordinance. No person shall hereafter engage in business as a retailer of any alcoholic liquor within 100 feet of any undertaking establishment or mortuary.

Section 16. CLOSING HOURS—SUNDAYS. It shall be unlawful for the holder of a Class "A" License, to sell or offer for sale at retail any alcoholic liquor in the City between the hours of 12 o'clock at night and 6 o'clock in the morning of any day, or on a Sunday.

It shall be unlawful for the holder of a Class "A" License to keep open for business or to admit the public to any premises in or on which alcoholic liquor is sold at retail during the hours within which the sale of such liquor is prohibited; PROVIDED, that in the case of restaurants and hotels such establishments may be kept open during such hours, but no alcoholic liquor may be sold to or consumed by the public during such hours. Sales on Sunday by the holders of Class "B" and Class "C" Licenses shall be permitted.

Section 17. ELECTION DAYS. No person shall sell at retail any alcoholic liquor on the day of any national, state, county or municipal election, including primary elections, during the hours the polls are open, within the political area in which such election is being held. This section shall not apply to drugstores or clubs.

Section 18. VIEW FROM STREET. In premises upon which the sale of alcoholic liquor for consumption upon the premises is licensed (other than as a restaurant, hotel or club), no screen, blind, curtain, partition, article or thing shall be permitted in the windows or upon the doors of such licensed premises nor inside such premises, which shall prevent a clear view into the interior of such licensed premises from the street, road or sidewalk at all times, and no booth, screen, partition, or other obstruction nor any arrangement of lights or lighting shall be permitted in or about the interior of such premises which shall prevent a full view of the entire interior of such premises from the street, road or sidewalk, and said premises must be so located that there shall be a full view of the entire interior of such premises from the street, road or sidewalk. All rooms where liquor is sold for consumption upon the premises shall be continuously lighted during business hours by natural light or artificial white light so that all parts of the interior of the premises shall be clearly visible. In case the view into any such licensed premises required by the foregoing provisions, shall be wilfully obscured by the licensee or by him wilfully suffered to be obscured or in any manner obstructed, then such license shall be subject to revocation in the manner herein provided. In order to enforce the provisions of this section, the Mayor shall have the right to require the filing with him of plans, drawings and photographs showing the clearness of the view as above required.

Section 19. BOND—FILING OF—CONDITION. Each person desiring a Class "A" License shall execute a penal bond in the sum of Two Thousand Dollars ($2,000.00), with at least two personal sureties or a solvent surety company licensed to do business in the state of Illinois, to be approved by the Mayor. Said bond shall be filed with the Mayor at the same time the application is

presented, and shall be conditioned for the faithful observance by the licensee of the provisions of this ordinance and of the laws of the State of Illinois and of the United States of America applying to the sale and possession of intoxicating liquor, and shall be further conditioned for the payment of any judgment for damages and costs that may be recovered against such licensee in accordance with Section 14 of Article 6 of an Act relating to alcoholic liquors, enacted by the General Assembly of the State of Illinois, approved January 31, 1934. A new bond shall be filed and approved on the renewal of all licenses.

Section 20. SELLING OR GIVING AWAY TO HABITUAL DRUNKARDS AND INTOXICATED PERSONS, OR PERMITTING SUCH PERSONS IN PREMISES, PROHIBITED. It shall be unlawful for any person licensed hereunder, to sell or give away intoxicating liquor to habitual drunkards or intoxicated persons, or to suffer or permit any such person to drink intoxicating liquor in or to loiter about the premises covered by said licenses.

Section 21. NO SALE TO MINORS OR INCOMPETENT PERSONS PERMITTED—EXCEPTIONS. No person licensed hereunder shall be permitted to sell or give away intoxicating liquor to any minor, unless such minor is accompanied by his or her parent or guardian, or to idiots or insane persons, and no such person shall be permitted to frequent the premises licensed.

Section 22. NO GAMBLING OR DISORDERLY CONDUCT PERMITTED. No gambling shall be permitted and no gambling device shall be kept in any premises licensed hereunder. No riotous, disorderly, indecent or offensive conduct of any kind shall be allowed in or about said premises.

Section 23. DRUGGIST NOT PERMITTED TO DISPLAY OR ADVERTISE FOR SALE INTOXICATING LIQUOR. No druggist licensed to sell intoxicating liquor hereunder shall be permitted to display such liquor in any window or on shelves or counters or in showcases; but same shall be kept stored in a place where it will be out of view of the public and patrons of said drug-store; nor shall such licensee be permitted to advertise the sale of intoxicating liquor in any newspaper published in the City of Bloomington, or by the distribution of hand bills, or by signs or cards within the premises licensed.

Section 24. PLAYING OF POOL, BILLIARDS, CARD GAMES, DICE GAMES, AND OTHER GAMES (EXCEPT BOWLING) AND DANCING OR OTHER ENTERTAINMENT PROHIBITED—EXCEPTIONS. No person to whom a Class "A" License is issued hereunder shall permit the playing of pool, billards, card games, dice games, or any other games whatsoever (except bowling) or dancing or other entertainment, in the premises covered by his license; PROVIDED, HOWEVER, that dancing shall not be prohibited in any regularly maintained ball room having a Class "A" License and which is kept and maintained for public gatherings and entertainment and is rented out for such purposes, and which is licensed by the City as a dance hall.

Section 25. REVOCATION. The Mayor may revoke any retail liquor dealer's license for any violation of any provision of this ordinance, or for any violation of any State law pertaining to the sale of alcoholic liquor.

Section 26. PENALTY. Any person, firm or corporation violating any provision of this ordinance shall be fined not less than Five Dollars ($5.00) nor more than Two Hundred Dollars ($200.00) for each offense; and a separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

Section 27. REPEAL—VOID PARTS. That an ordinance regulating the sale of intoxicating liquor and repealing certain ordinances therein contained,

passed by the City Council of the City of Bloomington, Illinois, on December 5, 1933, and approved by the Mayor of said City on December 5, 1933, be and the same is hereby repealed. All ordinance or parts of ordinances in conflict herewith hereby are repealed. The invalidity of any section or part of a section of this ordinance shall not affect the validity of the remainder of said section or the remainder of this ordinance.

Section 28. EFFECTIVE DATE. This ordinance shall be in full force and effect from and after its passage, approval and publication according to law.

Attest:

THOMAS J. GOODGER,
Chairman Finance Comm.

Respectfully yours,
JOHN A. CLEARY,
Comptroller.

Motion by Alderman Goodger, seconded by Alderman Marquardt, that the bills and pay rolls be allowed and orders on the Treasurer drawn in payment of same.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Gray, Summers, Turpin, Harting, Kane, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin, Olson. 13.

Nays: 0.

Motion carried.

Presented by Alderman Harting:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Sidewalk Committee to whom was referred the resolution of Alderman Marquardt that the City Engineer be instructed to lower concrete blocks raised by tree roots located at 1131 N. Colton avenue; also resolution by Alderman Gray to lower concrete block raised by tree roots at 503 N. McLean, would respectfully report that we have investigated these complaints and recommend that they be repaired.

Respectfully,
CHARLES H. HARTING,
DEWITT GRAY,
P. J. IRVIN,
Sidewalks and Bridges Comm.

On motion by Alderman Harting, seconded by Alderman Kane, the report was adopted and recommendations concurred in.

On motion by Alderman Summers, seconded by Alderman Turpin, the following petitions to install signs were referred to the City Electrician with power to act:

Montgomery Ward Co., 105 W. Market street; Lawrence Halbleib, 722 W. Chestnut street.

Presented by the Clerk:

Bloomington, Illinois, February 9, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—I address you in behalf of my clients, Mr. and Mrs. William Knuth, who own about a five-acre home, known as 102 West Tanner Street. They have in the past been annoyed by offensive odors arising on damp and warm days, from garbage dumped by the City on adjacent properties. Mrs. Knuth operates in her home a loom, making rugs for her customers from the City, and in the summer time she is able to sell flowers, bulbs and seeds from her garden. Aside from the question of health, the odors at times are more than they should be asked to bear.

The City is dumping cinders and ashes at this place, and with it a lot of garbage. The Highway Commissioner this week has covered a portion of the premises with dirt. However, if you will examine you will discover considerable probability that the rains will wash away a good deal of the covering.

Mr. and Mrs. Knuth have employed me as their attorney, to bring about an injunction suit restraining the City from placing any more garbage at this point, but I am very reluctant to do so without first bringing the matter to your attention with the sincere request that by your own attention with the sincere request that by your own attention to he matter you can bring about a satisfactory result and such as will cease the complaint I have alluded to.

Very respectfully submitted,
FRANK O. HANSON,
Attorney for Mr. and Mrs. William Knuth.

On motion by Alderman Olson, seconded by Alderman Irvin, the communication was referred to the Health Department, Sanitary Inspector and City Attorney.

Presented by the Clerk:

Bloomington, Illinois, February 6, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

I wish to convey my sincere thanks and appreciation for your donation of One Hundred Dollars for our Shelter work.

For the twelve months of last year, we helped 44,406 men. Giving 61,290 meals, and 17,996 beds.

We invite you to inspect our work. And wish to remain,

Sincerely yours,
C. OVERSTAKE,
The Salvation Army.

On motion by Alderman Harting, seconded by Alderman Sargent, the communication was received and placed on file.

RESOLUTIONS

Presented by Alderman Harting:

Bloomington, Illinois, February 9, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

Motion by Alderman Goodger, seconded by Alderman Marquardt, that the bills and pay rolls be allowed and orders on the Treasurer be drawn in payment of same.

The Clerk was directed to call the roll which resulted as follows:

Ayes: Gray, Turpin, Harting, Kane, Kurtz, Sargent, Gunn, Goodger, Marquardt, Schueth, Irvin, Olson. 12.

Nays: 0.

Motion carried.

Presented by Alderman Harting:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Sidewalk Committee to whom was referred the following resolutions would report that we have investigated these complaints and recommend that the work be done.

Resolution by Alderman Irvin that the Sup't of Streets cut down hollow tree located at 823 W. Jackson street; also resolution by Alderman Harting to cut down tree which is damaging concrete sidewalk at 1207 S. Mason street.

Respectfully submitted,

CHARLES H. HARTING,
DEWITT GRAY,
P. J. IRVIN,
Sidewalks and Bridges Comm.

On motion by Alderman Harting, seconded by Alderman Irvin, the report was adopted and recommendations concurred.

The Clerk presented the following petitions:

R. E. Hurst, 206 W. Front street, neon electric sign; Illinois Hotel Co., neon electric sign, 207 W. Jefferson street; E. A. Lane, 612 N. Main street, electric sign.

On motion by Alderman Turpin, seconded by Alderman Harting, the petitions were referred to the City Electrician with power to act.

The Clerk presented the following applications for Class "F" Liquor licenses:

Howard Adreon, 204 W. Front street; Elizabeth Anderson, 1012 W. Chestnut street; C. G. Childers, 1304 W. Market street; M. B. Walsh, 912 W. Chestnut street.

On motion by Alderman Olson, seconded by Alderman Gunn, the various applications and bonds were referred to the License Committee.

The Clerk presented the following petition:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—We, the undersigned Residents and Property Owners of South Main Street, between Oakland Avenue, on the north, and Greenwood Ave., on the south, will present petitions to our State Representative, Maurice Kalahar, to be presented in person to Mr. Lieberman, State Highway Engineer.

We wish to make a complaint and oppose any program outlined by the Highway Department that might direct traffic of Route No. 4 from Six Points over to Main Street as mentioned above. Main Street now has a street car track and State Route No. 2 and we see no reason why Route No. 4 should

be added to Main Street, as the congestion there now is bad enough. We residents and property owners will oppose to the end any such a proposition.

We also insist that our Mayor and City Council take immediate action to avoid any such a change at this time. This Petition to State Highway Department contains practically every resident between Oakland Ave., and Greenwood Avenue.

Committee,
MIKE SCHNEIDER, *Chairman*
AUGUST C. HAMLOW,
J. BOHYER,
J. T. JACOBS,
HARRY RYAN,
RAY SPURGEON
And 124 Residents

On motion by Alderman Harting, seconded by Alderman Gray, the matter was referred to the Streets and Alleys Committee, Judiciary Committee and City Attorney.

On motion by Alderman Olson, the rules were suspended to permit those interested to air their views before the Council.

Mr. M. Schneider protested vigorously against the proposed changing of Route 4 from Morris avenue to Main street and hoped that this Council would take the immediate necessary steps to prevent such change.

RESOLUTIONS

Presented by Alderman Kane:

Bloomington, Illinois, January 19, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That the City Engineer be instructed to repair gutter pan in front of 1010 S. Center street.

On motion by Alderman Kane, seconded by Alderman Harting, the resolution was adopted.

Presented by Alderman Irvin:

Bloomington, Illinois, January 19, 1934.

Be It Resolved by the City Council of the City of Bloomington, Illinois:

That Sup't of Streets be and is hereby directed to construct plank crossing on the east side of Erickson street on Indiana avenue.

On motion by Alderman Irvin, seconded by Alderman Olson, the resolution was adopted.

Presented by Alderman Harting:

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—Your Sidewalk Committee to whom was referred the following resolutions would report that we have investigated all these complaints and recommend that the work be done.

Resolution by Alderman Marquardt that the Sup't of Streets cut down box elder tree at 1102 N. Roosevelt avenue on Scott street side, also, two dangerous soft maple trees on the sidewalk at 1102 and 1104 N. Lee street, also one dead poplar tree at 104 E. Walnut street.

Resolution by Alderman Schueth to cut down dangerous box elder tree located between 906 and 908 N. Center street, also resolution by Alderman Marquardt that the City Engineer lower concrete slab raised by tree roots at 808 E. Empire street.

Respectfully submitted,
CHARLES H. HARTING,
DEWITT GRAY,
P. J. IRVIN,
Sidewalks and Bridges Comm.

On motion by Alderman Harting, the report was adopted and recommendations concurred in.

Alderman Sargent verbally reported the progress of the joint committee to whom was referred the petition of the residents of South Main street relative to the changing of route 4 from Morris avenue to Main street.

On motion by Alderman Harting, seconded by Alderman Summers the rules were suspended to permit any person interested to speak on the subject.

Mr. M. Schneider, chairman of the resident and property owners committee again voiced his sentiments in which he opposed the change.

The Clerk presented the following petitions to install signs:

Kalahar & Munsell, 206 N. East street; Hotel Rogers, Grove and East streets; J. M. Kinsella, 607½ N. Main street; M. V. Stephenson, 531 N. Main street.

On motion by Alderman Gray, seconded by Alderman Summers, the petitions were referred to the City Electrician with power to act.

Presented by the Clerk:

Bloomington, Illinois, January 26, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—I wish to present to your honorable body the following claim due to stoppage of my sewer service by tree roots at my home 1504 N. Lee St.

When the sewer connection became stopped I appealed to the City authorities for assistance and was informed that the rules of the city required me to make these repairs at my own expense which I do not object to if this is the common practice as I do not want or feel that I am entitled to more service than any other citizen.

I took out permit in the regular way from City Engineer to open the lawn and employed men and experienced sewer workers to repair the sewer and paid the bills hereto attached to the total amount of $23.15.

The stoppage was caused by roots from trees owned by the City, on City property not in front of my property over which I have no control and I feel the City should reimburse me for the amount I have paid out.

I still have some of the tile filled roots for your inspection.

Hoping you will refer this to the proper committee and officers for their prompt attention and thanking you in advance for any consideration I may receive I am,

Very truly yours,
GEO. H. ZINN,
1504 N. Lee street.

On motion by Alderman Gunn, seconded by Alderman Summers, the petition was referred to the Claims Committee.

The Clerk presented the application and bond of the Blatz Brewing Company for a Class "E" license.

On motion by Alderman Olson, seconded by Alderman Gunn, the application was granted and the bond approved.

Presented by the Clerk:

Bloomington, Illinois, January 23, 1934.

To the Honorable Mayor and City Council of the City of Bloomington, Illinois:

GENTLEMEN:—The Bloomington and Normal Council P.-T. A. are planning a Founders' Day Banquet to be held in the Bloomington High School on Feb. 15, 1934 at 7:00 p. m. All of your members are invited to attend.

Tickets will be 50c and reservations may be made with Mrs. Leslie Stone, 3580-L up until Monday evening, Feb. 12.

Cordially yours,
BLOOMINGTON AND NORMAL COUNCIL,
P.-T. A.

On motion by Alderman Sargent, seconded by Alderman Irvin, the invitation was received and placed on file.
